BURLINGTON ESCORTED TOURS

Burlington Route

Are planned summer vacation tours to the National Parks of the Rocky Mountains—magic Yellowstone National Park, Glacier National Park where the Rockies surge and toss in the wildest confusion; Rocky Mountain National (Estes) Park in the heart of Colorado's mile-high mountain world—the Black Hills of South Dakota, Pikes Peak in the Colorado Springs-Manitou region; seven delightful and comprehensive California tours; four thrilling tours embracing the Pacific Northwest and Alaska through the famous "*inside passage.*" (Three of these Alaska tours include Rainier National Park—the fourth includes a new wonderland, Mt. Baker).

Every detail of each tour is carefully planned in advance. Train riding is done in special Pullmans; hotel tables at stopover points are set and ready when meal time comes; a fleet of motor cars awaits us at hotel door and station platform; bags and suitcases disappear when they require carrying but turn up magically in your hotel; there are no meal checks presented; no bills at all to pay in fact; the best of everything is seen and done without having to ask directions, consult time tables, maps or guide books; no chance of wasting a day doing the wrong thing and missing something more worth while. Everything is planned in advance all the way through. An escort who is at once a guide and a business manager relieves everybody of all responsibilities. A lump sum paid in advance covers all necessary expenses from start to finish. You see the most, in the best way and with no waste of time.

The total cost is well within average means and really surprisingly low.

Stop Off at Spokane and Visit Beautiful Hayden Lake

Charmingly located in the mountains of the Coeur d'Alene National Forest of Western Idaho; Hayden Lake offers one of the most ideal places to spend a Summer outing. On the shore of Hayden Lake is Bozanta Tavern picturesquely situated in the pines of the west bluffs. The Tavern is of Swiss architecture and is thoroughly modern and operated on the American plan. Visitors have the option of staying at the Tavern or occupying one of the log cabins adjacent. A beautiful 18-hole golf course is kept in the finest of condition. Good saddle horses are available for guests.

Figures opposite stations refer to numbers of tables showing connecting trains.

f—Flag stop.
v—Stops to pick up passengers for Twin Cities and east.
i—Stops to pick up passengers for points east of Havre at which this train stops.

From Seattle to the Orient

NIPPON Yusen Kaisha has maintained its passenger and freight service out of Seattle to the Orient since 1896 and has achieved an enviable reputation for the excellence of its liners, for the efficiency of the ship crews and servants, for the ability of the chefs and the attention given each passenger. Anyone contemplating a journey to Japan, China or any Far Eastern port will profit by inquiry concerning rates for passage via the Seattle route, the direct route to the Orient. Or by the N. Y. K. Line, California-Orient Service via Honolulu, operating large and fast vessels. Sailing fortnightly.

THE THINGS YOU BUY

IN SENDING A **WESTERN UNION** TELEGRAM

FROM A **GREAT NORTHERN** TRAIN

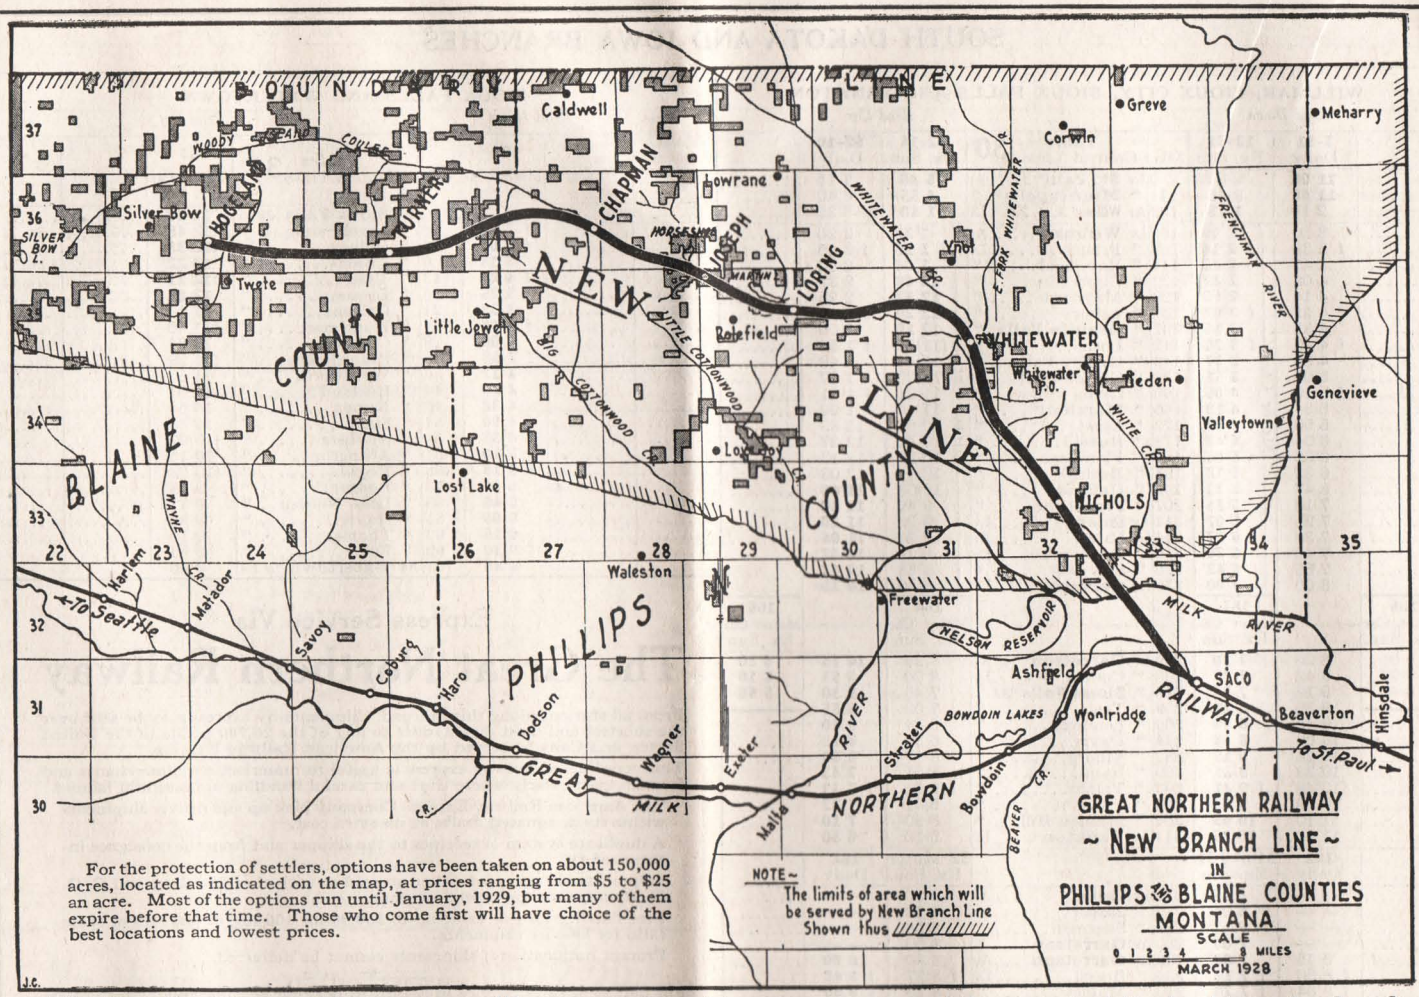

SENDING a telegram, like buying a railroad ticket, is a simple transaction. It takes care of your need for quick communication between the point where you are and where you would like to be. Urgent business in Seattle, an appointment at Spokane, a fishing trip with a friend at Glacier Park, or a greeting to the family at home. Each at first thought presents a problem which a telegram will solve for you so capably and dependably that you take the solution as a matter of course.

We of the GREAT NORTHERN take keen pride in the thought that we are able to contribute our share in providing this service.

750 GREAT NORTHERN offices from which telegrams may be sent.

WESTERN UNION blanks in all cars.

Figures opposite stations refer to numbers of tables showing connecting trains.

For the protection of settlers, options have been taken on about 150,000 acres, located as indicated on the map, at prices ranging from $5 to $25 an acre. Most of the options run until January, 1929, but many of them expire before that time. Those who come first will have choice of the best locations and lowest prices.

The New Saco-Turner Line opens a million acres of good farming country. A large part of the land is undeveloped and offers good opportunities for farmers.

Minnesota Arrowhead Country

In the Northeastern corner of Minnesota is a wonderful unspoiled playground where Mother Nature bestowed many varieties of beauty and recreative wealth. This alluring playground has been named the Minnesota Arrowhead Country. Here was the Red Man's treasure country and battle ground. Here first was the Mandan, then the Assiniboine, then the Cree, then the Sioux, who was finally driven out by the Chippewa. Each change of possession was won by conquest.

Here early explorers set up trading posts or sought the Northwest passage. Today it is a natural playground, a land of adventure, a refuge from heat—Nature's beauty spot.

You can reach the Arrowhead Country conveniently via the Great Northern to Duluth, thence via a great variety of means of transportation: Rail, boat, autobus or auto.
