PASSENGER

Train Schedules *shown herein have been carefully compiled from time cards currently in effect but it is sometimes necessary to deviate from them between the issues of this time table folder and it is not always possible to give advance notice of such changes. Information shown herein is therefore subject to change without notice. Also trains are at times unavoidably delayed by circumstances entirely beyond our control resulting in missed connections for which the Great Northern Railway cannot be liable.*

Purchase Tickets before boarding trains. SAVE by purchasing Round Trip Tickets.

Children under five years of age, when accompanied by parent or guardian, will be carried free. Children five years of age and under twelve years of age will be charged one-half of the adult fares. Children of five and under twelve years of age will not be ticketed when traveling alone, unless advance arrangements are made through ticket agent in cases where child is deemed mature enough to travel alone. Children twelve years of age and over will be charged the adult fare.

Adjustment of Fares. Should any misunderstanding arise with conductors or agents as to the proper fare or ticket privileges, please pay fare requested, take receipt and communicate with E. L. Braun, Auditor Passenger Receipts, St. Paul, 1, Minn.

Redemption of Tickets. Applications for redemption of unused portions of tickets issued by the Great Northern Railway should be addressed to Mr. E. L. Braun, Auditor Passenger Receipts, St. Paul, 1, Minn. The unused portions of tickets issued by other railroads should be sent to passenger traffic manager of issuing railroad.

Invalids and Infirm Passengers. Wheelchair service is available at the following stations: Bellingham, Billings, Breckenridge, Butte, Duluth, Everett, Fargo, Grand Forks, Great Falls, Havre, Minneapolis, Minot, New Westminster, B. C., Portland, St. Paul, Seattle, Spokane, Tacoma, Vancouver, B. C., Wenatchee, Whitefish and Williston. At other points where wheel chairs are required, passengers must make their own arrangements. *Advance notice must be given for passengers requiring special handling and must be accompanied by attendant (s).*

Certain Freight Trains are Permitted to Carry MALE Passengers Under the Following Conditions: Adult male passengers must hold regular passage ticket. This Company is not a common carrier of passengers by its freight trains and does not stop such trains at stations or station platforms except when the freight business of the road makes it necessary to do so. Persons using such trains for passage assume all risk of injury or loss of time while riding on or getting to and from said trains. Women and children will not be carried on freight trains. Persons desirous of having their baggage accompany them on freight trains should deliver it at station and have it way-billed. Stock drovers, when in charge of stock and provided with proper transportation will be carried on train with such stock.

Consult your ticket agent or passenger representative for any additional information or details on your transportation requirements.

BAGGAGE

Hand Baggage is restricted to what can conveniently be placed in the berth, seat or other accommodations purchased by the passenger.

Passengers are urged, for the convenience and comfort of themselves and other passengers, to check all of their hand baggage except that actually needed for personal use enroute.

Marking for Identification. Mark or tag each piece with your name and address and place your name and permanent address inside each piece, whether it is checked or carried with you on the train.

Definition of Checked Baggage. Wearing apparel, toilet articles (except liquids) and personal effects—necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of his journey and not intended for other persons nor for sale. Money, jewelry, silverwear, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

Free Checking Allowance. Up to 150 pounds on each adult ticket and 75 pounds on each half fare ticket, a small charge is made for weight over these amounts. Valuation not to exceed $100 on baggage checked on each adult ticket, $50 for each half fare ticket, unless a greater value is declared in writing by the passenger.

A charge of 20c is made for each $100 of value declared above the free allowance. In lieu of this excess value charge, passenger may elect to purchase a St. Paul Fire and Marine Insurance Company policy for entire valuation of baggage checked; these policies cover both baggage and personal effects whether checked or carried, and are available at principal ticket and baggage offices.

Baby Carriages, Bicycles and similar articles when used in connection with journey will be checked and included in weight and value of passenger's baggage.

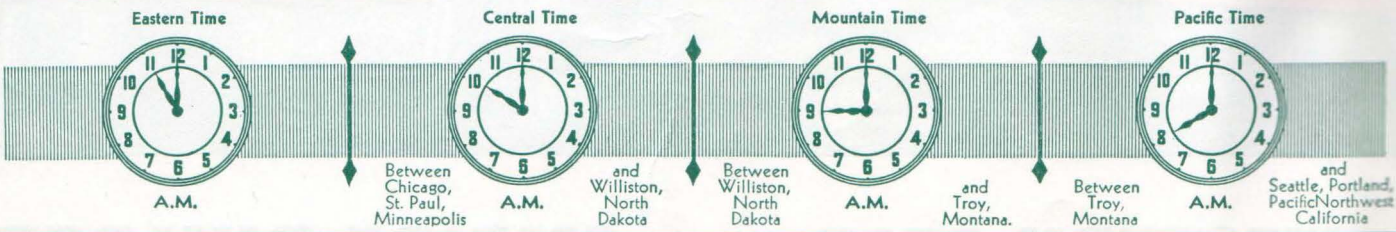

Dogs and other small household pets are transported in baggage cars subject to tariff regulations. Dogs, cats or other animals (not venomous, odoriferous or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman private rooms into the rooms they occupy, subject to established regulations. Dogs may be on leash and muzzled instead of in containers. Special arrangements for Seeing Eye Dogs.

Forwarding. Passengers are urged to check baggage in advance. Every effort will be made to facilitate the handling of baggage, but the Railroad cannot guarantee to forward on same train as owner nor the arrival time at destination.

Remains. Consult ticket or baggage agent for charge for shipping of remains.

Lost Articles and Responsibility. While no responsibility is assumed for unchecked articles left in stations or cars, **lost articles should be inquired for through Manager, Mail and Baggage Traffic, St. Paul 1, Minnesota, or District Mail, Baggage and Express Agent, Seattle 4, Washington.** Every effort will be made to locate and return such articles.

STANDARD TIME.—All time shown in Great Northern Railway published schedules of its lines east of Williston, North Dakota, is Central time; between Williston, North Dakota and Troy, Montana, is Mountain time; west of Troy, Montana, is Pacific time.

Printed in U.S.A.

A CONVENIENT WAY TO BUY RAILROAD AND PULLMAN TICKETS

To make rail travel more convenient, the Great Northern Railway together with most of the other western railroads offer a Charge-It Service. Travelers using this plan carry just one card, issued by the Rail Travel Credit Agency. Ticket offices of all participating railroads will honor these cards for any travel originating on their lines—for rail, parlor or sleeping car tickets, as well as for baggage charges. Any company or individual with proper credit rating can use this plan. No deposit, no service charge. For further information, write any Great Northern Traffic Representative listed on pages 34 and 35.

SAVE MONEY WITH THE FAMILY HALF-FARE PLAN

Families traveling together may effect considerable savings by using reduced-rate one-way or round-trip family half-fare tickets, good on all Great Northern trains and between all stations.

ONE-WAY—Head of family pays regular one-way fare, first class or coach. Second parent and children 12-21, inclusive, each pay only 50% of regular adult fare; children 5-11, inclusive, each pay only 25% of regular adult fare. Children under five, free.

ROUND-TRIP—Head of family pays regular round-trip fare, first class or coach. Second parent and children 12-21, inclusive, each pay the one-way adult fare for the round trip; children 5-11, inclusive, each pay only 50% of the one-way adult fare for the round trip. Children under five, free.

Travel must begin on a Monday, Tuesday or Wednesday, with return any day of the week. (Head of family may return independently.) Usual stopover privileges apply.
