GENERAL INDEX AND INFORMATION FOR TRAVELERS

Through or Connecting Train Service.....	Pages 4-8
Local Time Tables.....	10-11 & 14-17
Map	12-13

Rail-Pullman Fares and Regulations.....	Pages 18-20
Index to Stations, With Table Reference.....	21-23
Officers, Representatives and Agents.....	24-25

Reading This Time Table should be guided by the following suggestions. First, locate in the alphabetical Index to Stations, on Pages 21-23, your points of origin and destination, and after ascertaining route of trip, also junction points, if any, turn to the Tables bearing the numbers shown in the Index, for train schedules applying. Next, check the list of stations for your starting point. Opposite you will find the time of trains stopping there; continue reading down, or up, as the case may be, until locating destination, with arrival time of trains scheduled to stop. Southern Railway System map, on Pages 12-13, indicates the geographical location of stations and will prove of further assistance in determining route traveled.

12:01 midnight to 12:00 noon is shown in light-faced type and from 12:01 noon to 12:00 midnight in dark-faced type. (E.T.) denotes Eastern Time, (C.T.) Central Time, (M.T.) Mountain Time and (P.T.) Pacific Time. Standard Time, daily schedules, also coaches on all passenger trains, unless otherwise indicated. If the Table you are consulting includes a symbol or notation, make certain to observe reference or explanation, on same page as the Table.

TICKETS

Please Buy Tickets before boarding trains. In purchasing Pullman tickets, it is necessary to present railroad tickets at the same time.

Charity Tickets are not good on "The Southerner," Nos. 47-48, nor "The Crescent," Nos. 37-38, except when presented by passengers using these trains from or to points on the Winston-Salem, Asheville and Columbia Divisions.

Adjustment of Fares—Should any misunderstanding arise with conductors or agents as to proper fare or ticket privilege, please pay fare requested, take receipt, and communicate with General Passenger Traffic Manager, Atlanta, Ga. 30303, or any representative listed on Page 25.

Refund—Rail tickets, wholly unused or partly used, will be redeemed under tariff regulations at proper value. Mail to Director, Revenue Accounting, (Passenger Division) Southern Railway System, Atlanta, Ga. 30303. For redemption of Pullman tickets, see Page 20.

Children under 5 years of age, free, when accompanied by parent, adult guardian or caretaker, except that children under 5 years of age require one-half adult rail fare ticket for separate seat or berth on a Pullman trip, also special service charge is applicable, if assigned a separate, reserved coach seat on "The Southerner." Children 5 years of age and under 12, one-half fare; 12 years of age or over, full fare. Adult railroad ticket requirement applies, in addition to Pullman charge, for room facilities, and a child or children 5 years of age or over, occupying room space, without escort, must hold rail and Pullman transportation equivalent to adult occupancy.

Limit—Ordinarily, one-way tickets are valid within thirty days, and round trip tickets six months, from date of sale. Tickets presented for passage on a train scheduled to leave any station on the Southern Railway System at or before 4:00 A.M. of day following date of expiration, will be honored for continuous passage via that train and first connecting train, through to destination on Southern Railway System lines, or junction with connecting line. Beyond such junction, regulations of connecting line apply.

Stop-overs—Unless otherwise specified, are permitted generally at all points on Southern Railway System, within final limit of tickets. Consult agents and conductors.

BAGGAGE

Defined—Baggage consisting of wearing apparel, toilet articles, (except liquids) and personal effects in actual use, necessary and appropriate for the comfort and convenience of the passenger's journey, and not intended for other persons or sale, may be checked in baggage service. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile

or perishable articles, radios and household goods, must not be included when checking baggage, nor are the carriers responsible in that event.

Marking for Identification—Mark or tag the outside of each piece of baggage with your name and address, also place the same information inside, whether the baggage is checked or carried with you on the train.

Forwarding—Every effort will be made to facilitate the handling of baggage, but these companies do not guarantee to forward on same train with passengers, or within a specific time limit, reserving the right to handle on a preceding or following train.

Storage is charged when baggage is held at railroad stations longer than the free time limit.

Baggage Service Charge of 25c applies for each piece of hand baggage, also articles classified as such, and 50c for each piece of other than hand baggage. Service charge collection is made at time baggage is checked, subject to tariff stipulation as to classification and exceptions.

Checking Allowance, Valuation and Liability—150 pounds of baggage, not exceeding \$100.00 in value, may be checked without additional charge on each adult ticket, and 75 pounds, not exceeding \$50.00 in value, on each half-fare ticket. A charge is made for weight over allowance per ticket. Passengers have the privilege of declaring excess value at a nominal charge of 25c for each additional \$100.00, or fraction thereof, subject to total valuation of \$2,500.00. No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, will be checked.

MISCELLANEOUS

Dogs, Cats and Small Household Pets—other than leashed and muzzled or leader dog accompanying a blind person—will not be handled in coaches over Southern Railway System lines, but are transported in baggage cars, subject to tariff regulations. Dogs are not accepted in coaches on "The Southerner." Not more than two dogs, cats or animals, deemed quiet, safe, harmless, inoffensive and otherwise unobjectionable, when leashed, muzzled or carried in suitable container, may be taken into Pullman room accommodations, subject to established regulations.

Blind or Disabled Persons—Blind, disabled or other persons, physically unable to travel alone or care for themselves, will not be transported over these lines, unless accompanied by an attendant or caretaker on same train, holding proper transportation. Blind persons, if capable of traveling alone, will not be required to have a caretaker or attendant, may purchase tickets and will be given such assistance by station employees and trainmen as may be necessary for their safety in getting on or off trains. On trips within the United States, or to and from Canada, regulations of The Pullman Company provide that, if available, room accommodations will be furnished at regular berth or seat rates to a blind person accompanied by a guide or leader dog and enroute the dog must be kept solely in the room occupied by the blind passenger.

Responsibility—Schedules herein are subject to change without notice and these companies assume no responsibility for errors in time tables, failure to make connections, inconvenience, damage, or other adverse result, occasioned by delayed trains, shortage, shopping or substitution of equipment, under circumstances beyond normal control.

Days on Duty—Under employee's 40-hour work week, a number of offices, agencies and stations on Southern Railway System lines are closed and others open part time only, on Saturdays, Sundays and holidays, making advance completion of transportation arrangements advisable.

Call on any Southern Railway System agency, whenever you desire information or assistance regarding travel or shipping arrangements. You will receive a cordial welcome and courteous attention.

KEEPING AN EAGLE EYE ON PROFITS THESE DAYS?

WISE BIRDS in industry are keeping a mighty close watch on their profits picture these days. And sometimes they don't like what they see. Rising costs. Sluggish sales. An unhealthy sag in the profit margin.

This kind of pressure is pretty hard to take—especially if you are one of the top management team who not only sees it happening but is supposed to be doing something about it. What do you do?

Thousands of businessmen in recent years, faced with this same problem, knew what to do. After carefully studying all the factors, pro and con, they decided the modern, fast-growing South offered just

what they sought for industrial growth and prosperity.

You can be sure this important decision wasn't based on guesswork or wishful thinking. Cold, proof-of-the-pudding facts determined their move. That's where Southern Railway's Industrial Development Department helped many of these industrialists and that's where it can help you.

There's no better way to get the "big picture" of the South today. Southern serves 13 states in the South and our Industrial Development Department has detailed information on thousands of com-

munities, large and small. Your report will be confidential, impartial, comprehensive, complete. It will be custom-tailored to your needs. Call or write today for competent, courteous help.

PROTECT YOUR BAGGAGE

Guard against baggage losses. Make sure each piece of hand baggage is marked, inside and out, with your name and address. This will not only help to identify hand baggage on the train, on station platform and in waiting room, but will facilitate forwarding if baggage checks become detached.

HAND BAGGAGE AND PERSONAL LUGGAGE

Take the personal baggage you need aboard the train—in coaches or Pullmans. Avoid the delays of claiming baggage at destination. Trunks and large suitcases can be checked through in the baggage car, small service charge applying.

These charges apply between all stations on the Southern Railway System and carriers operating through Pullman service in connection with the Southern Railway System, with the exception of local or interline traffic on certain lines beyond Southern Railway System gateway of Jacksonville, Fla., which lines require a minimum of one and one-half adult railroad tickets for a Compartment and two adult railroad tickets for a Drawing Room. Collection will be made on a combination of the minimum charges applying. Consult ticket agents or passenger representatives for fares in effect.

Where Pullman Fares are shown on pages 18 and 19 for one person, space indicated may be occupied by an adult, and shared by a child (or children) under five years of age, without providing rail transportation for child or children accompanying.

#—See Pullman fares shown on pages 18 and 19.

*—A section consists of combined lower and upper berth space, in which the lower berth only is prepared for night occupancy, and section fare applies where the lower berth only is occupied. If the lower and upper berths are both occupied in the same section, the sum of the lower and upper berth fares will apply. For single or double occupancy section fares, consult ticket agent. When upper berth space is available, an Over-night Section, with the lower berth only prepared for night occupancy, may be purchased enroute from Pullman employe by lower berth passengers for use between the hours of 8 00 PM and 8 00 AM, at charge of \$1.85 (not including State Tax, where applicable) in addition to the lower berth charge

Fares shown herein, taken from Railroad and Pullman tariffs, are subject to change without notice; in republishing such fares in this folder, the Southern Railway System does so solely as a matter of information and accepts no responsibility as to the correctness of stated charges.

CHARGE FOR CHILDREN OCCUPYING SPACE IN SLEEPING OR PARLOR CARS

For a child five years of age and under twelve, one-half adult railroad ticket will be required, in addition to the charge for seat or berth assigned. One-half adult railroad ticket, good in sleeping or parlor car, is required for a child or children under five years of age, occupying separate Pullman unit than adult accompanying, in addition to charge for accommodation provided. Additional railroad or Pullman collection will not be made for a child or children under five years of age assigned the same seat or berth, including a *section in which the lower berth only is prepared for night occupancy, nor when provided with additional berth or seat in the same room, as adult passenger.

ADULT railroad ticket requirement applies, in addition to the Pullman charge, on room assignment, and a child or children five years of age or over, without adult accompanying in same room, must hold rail and Pullman transportation equivalent to adult occupancy.

*—Where Section lower and upper berths are prepared for night occupancy, the sum of both berth fares will apply. Also see *notation, this page.

REDEMPTION OF PULLMAN TICKETS

Pullman Company tariff regulations provide, in general, that tickets covering sleeping accommodations will be redeemed in full, by ticket agents, if the assigned space is released not later than the day before train departure, trip is interrupted due to late arrival of a connecting train, or for any reason space as ticketed is not available. If space is released on day of departure, ticket will be considered for redemption, by Director, Revenue Accounting, (Passenger Division) Southern Railway System, Atlanta 3, Ga., subject to a refund service charge, unless tariff specifically authorizes exception and Pullman rate is refundable. Tickets will not be redeemed, unless space has been cancelled. Tickets for seat accommodations will be redeemed by ticket agents, if space is released in time to permit placing on sale prior to departure of train. Tickets are non-transferable and when purchased for resale will not be redeemed.

ON YOUR NEXT TRIP TRY THE *Rail Auto Travel Plan*

Ride in carefree comfort on train and arrive at your destination rested and relaxed. Then step into a new Hertz rental car waiting and yours to drive as your own for as long as you want it. Try this plan for business or pleasure. It's so convenient and economical. Rental rates are reasonable and include gas, oil and proper insurance.

Any Southern Railway ticket agent will be glad to give you full particulars and handle all arrangements.

PREPAID TICKET ORDERS A Convenient Travel Purchase Plan

You may purchase at principal Southern Railway ticket offices a prepaid order for railroad travel service to be used by a member of your family or by any other person you may designate.

The order may include cash for meals and incidental travel expenses in addition to the cost of railroad and Pullman tickets.

This is an especially convenient means of providing railroad tickets and other travel services. Consult your passenger representative or ticket agent for complete information.
