CHAIRMAN'S SPEECH

Dear Shareholders,

It is an honour to welcome you all to the 25th Annual General Meeting of the Company. The Directors' Report and the Audited Annual Accounts for the Financial Year 2019-20, the Statutory Auditors' Report along with the comments of the Comptroller and Auditor General of India thereon, have already been circulated to all of you and with your permission, I take them as read.

The Company has completed 25 years of its existence and has scripted history to create one of the world's most modern and efficient Metro Systems. On this occasion, I salute each and every stakeholder who contributed in this journey. A special mention must be made about first Managing Director, Dr E. Sreedharan, the Metro Man, who played an iconic role in implementing this project. In fact, every labourer, every worker deserves a special mention.

The Company now operates a network of 389 km making it one of the largest operating networks in South East Asia. During the year, the passenger journeys stand at an average of approximately 6 million per day. It shows how the metro network is easing the commuting experience for Delhi NCR. I would like to reassure that the Company is sparing no efforts in delivering highest quality services.

The Company has also taken up consultancy assignments in India and abroad. Further, under Phase IV, the Company is now looking forward to an expansion of about 107 km with an objective to bring unconnected areas of Delhi on the Metro map. Out of this 3 corridors of 61.68 km have been sanctioned and construction work has also started. Adherence to safety norms and measures to preserve the environment, have been the hallmarks of the Company's journey so far.

In line with the Make in India initiative of the Govt. of India, the Company is concentrating on indigenising a number of critical imported spares used for manufacturing as well as operations of trains. In November, 2019 the Company signed an MOU with Bharat Electricals Limited (a central PSU) for development of indigenous Automatic Train Supervision based signaling system.

The Company has been a frontrunner in quantifying climate change benefits from its operations and is the 1st Metro System in the world to earn carbon credits from its Clean Development Mechanism (CDM) projects registered under United Nations Framework Convention on Climate Change (UNFCCC). Further, the Company is encouraging the use of solar energy in all its activities. As at the end of the year, the Company commissioned 33 MWp capacity of roof-top solar plants and has a target to install 50 MWp by 2022. Around 35% of its total energy needs are being met through renewable sources like rooftop solar plants, off-site plants and waste to energy plant. It is a matter of great honour for your Company that on 2nd November, 2019 Ms. Angela Merkel, Chancellor of Germany, visited one of the Company's solar power plants at Dwarka Sector 21 Metro station. This is recognition of the Company's role as one of the leading producers of solar power in the transportation sector in the country.

I would like to express my deep gratitude and appreciation for the continued faith of our esteemed commuters, the citizens of the NCR, national and international contractors, consultants, business associates, and all others partners in our journey. Engagement and support from each members of DMRC family and my fellow Board Members remains our source of strength. I would like to thank various Ministries and Departments of the Government of India & Government of NCT of Delhi and Japan International Co-operation Agency for their continuous guidance and support in our efforts.

Thank you,

Sd/-

4) USE OF ESTIMATES AND MANAGEMENT JUDGEMENTS

The preparation of the financial statements in conformity with Ind AS requires estimates and assumptions to be made that affect the reported amounts of revenues and expenses during the reported period and the reported amounts of assets, liabilities and disclosures of contingent liabilities on the date of financial statements. Actual results could differ from these estimates. Differences between actual results and estimates are recognized in the period in which the results are crystallised.

In order to enhance understanding of the financial statements, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is as under:

a) (i) **Property, Plant and Equipment:** Property, plant and equipment represent a significant proportion of asset base of the company. The charge in respect of periodic depreciation is derived after determining the estimate of an asset expected useful life, the expected residual value at the end of its life and depreciation method. The useful lives and residual values of company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end along with depreciation method. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

d) **Post-employment benefit plans:** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

e) **Impairment test of Property, Plant & Equipment and Intangible Assets:** The recoverable amount of PPE and Intangible Assets is determined based on judgment of assumptions of technical experts. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

f) **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

ii. In August 2017, on the recommendations of the Environment Pollution (Prevention & Control) Authority (hereinafter referred as "EPCA"), Hon'ble Supreme Court of India has approved and implemented the Delhi Outdoor Advertising Policy 2017 (hereinafter referred as "OAP-2017") which supersedes all previous Delhi Outdoor Polices. Since certain provisions of aforementioned newly implemented OAP-2017 like revenue sharing, requirement of obtaining permission from respective Municipal Corporations, tenure of advertisement tenders etc. are adversely affecting the advertisement business of the Company, the Company has put the tenders for advertisement rights on civil structures on hold and moved to the Hon'ble Supreme Court of India to challenge the provisions of OAP-2017.

Subject to pending decision in Hon'ble Supreme Court, Company has decided that as per the provisions of OAP-2017, the rate of revenue share from aforementioned outdoor advertisement contract has been fixed as 35% for all civic agencies, accordingly, revenue is being shared from said contracts @ 35% w.e.f. 01.04.2013 with all civic agencies of Delhi. But in case of Noida Authority, only revenues generated by carriage of commuters traffic accrue to the Company.

iii. MRM, a consortium comprising of three members i.e. Mitsubishi Corporation (Japan)-Rotem (Korea)-Mitsubishi Electric Corporation (Japan), under Contract RS-1, received demand of ₹14,653.56 lakhs (P.Y. ₹14,653.56

lakhs) for FY 2003-04 to 2007-08 from Karnataka Sales Tax Department on account of non-payment of Central Sales Tax in respect of 55 train sets indigenously manufactured/assembled at Bengaluru and supplied to the DMRC.

Out of Demand of ₹14,653.56 Lakhs, ₹4,334.68 Lakhs is pertaining to Financial Years 2003-04 & 2004-05 and ₹10,318.88 Lakhs is pertaining to Financial Years 2005-06 to 2007-08. Against the demand of ₹4,334.68 Lakhs in respect of Financial Years 2003-04 & 2004-05, MRM filed an appeal before the Karnataka Sales Tax Tribunal, which was dismissed. On appeal, Hon'ble Karnataka High Court vide order dated 29.09.2011 has also confirmed the Central Sales Tax liability. Against this order, MRM has filed a Special Leave Petition (SLP) before the Hon'ble Supreme Court. Hearing and disposal of matter has been delayed due to COVID-19 impact and is still pending.

Further, against the demand of ₹10,318.88 Lakhs in respect of Financial Years 2005-06 to 2007-08, Joint Commissioner of Commercial Taxes (Appeals), Bangalore on 09.10.2012 has disposed off the matter in favour of Karnataka Sales Tax Department and accordingly demand notices of ₹10,318.88 Lakhs were issued on Mitsubishi Corporation (Japan) towards the payment of amount due including interest and penalty. Against this demand of ₹10,318.88 Lakhs, an appeal was filed by MRM before Karnataka Appellate Tribunal (KAT) and the matter is currently pending before the Karnataka Appellate Tribunal which is being stayed awaiting the decision from Hon'ble Supreme Court for FY 2003-04 and 2004-05.

MRM issued a 'Notice of Dispute' under Clause 20 of Contract RS1 and claimed the demand amount of ₹14,653.56 lakhs from DMRC. MRM also invoked Arbitration Clause as per contract conditions. DMRC provided a panel of five Arbitrators but MRM did not appoint their nominee out of the panel, and asked DMRC to provide entire list of DMRC's broad-based panel containing persons from diverse professional backgrounds, including retired judges and reputed lawyers, giving reference to the judgment dated 10.02.2017 of the Hon'ble Supreme Court in Arbitration Petition concerning Voestalpine Schienen GmbH and DMRC. DMRC rejected MRM's request on the ground that the judgment dated 10.02.2017 was not applicable in the current case, being issued on a later date. MRM disagreed with DMRC's position and filed petition u/s 11 of Arbitration and Conciliation Act 1996 on 26.10.2018 to Hon'ble Supreme Court of India. MRM's Arbitration Petition has been admitted by Hon'ble Supreme Court of India on 20.11.2018 and accordingly Hon'ble Supreme Court issued notice to DMRC. DMRC has filed an affidavit and reply to MRM's petition on 12.02.2019. The case is pending in Hon'ble Supreme Court for further hearing.

iv. For various properties of the Company falling under jurisdiction of local municipal authorities of East, South & North Delhi, as per Minutes of the meeting (MOM) dated 08.02.2019, it was decided that DMRC will pay service charges in lieu of property tax @ 75% in respect of operational areas and in case of non-operational areas service charges equivalent to property tax. Further as per MOM dated 30.05.2019, it has been decided that unit area values be re-examined by East MCD as other two corporations have not implemented the recommendations of MVC 3 report. Hence use factor and categories as implemented under unified corporation be allowed and adopted by EDMC and effective/ cut-off date for applicability of service charge/ property tax shall be from 2017-18 onwards. Accordingly, based on the demands received from EDMC, NDMC and SDMC including interest and penalty, an amount of ₹10,343.80 lakhs, ₹3,066.49 lakhs and ₹3,316.83 lakhs respectively has been included as contingent liability in clause a)- Others of item no. 1.1 of Note No 29.

In addition to above, till 31.03.2020, an amount of ₹3,940.31 lakhs (P.Y. ₹2,717.30 lakhs) have been withdrawn by various MCDs through attachments and ₹3,432.00 lakhs (P.Y. ₹1,000.00 lakhs) has been paid by DMRC under protest. Out of this, an amount of ₹2,054.23 lakhs (P.Y. ₹1,175.38 lakhs) has been shown as recoverable from the concessionaire as per terms of the Concession agreement and balance amount of ₹5,318.07 lakhs (P.Y. ₹2,541.92 lakhs) has been shown as recoverable from the respective MCDs.

v. DMRC entered into an agreement for Infrastructure Provider-II (IP-II) license with Department of Telecommunications (DoT) on 02/12/2004 primarily to meet the requirement of mobile services in the underground metro stations to its commuters. As per condition in License Agreement, DMRC is to pay 8% for the revenue income earned from the services under this license. DMRC is also regularly submitting audited documents in support of the license fee to be paid by DMRC every year.

Subsequently, DoT raised a provisional demand of ₹5,481.82 crores pertaining to the years 2004-05 to 2017-18 on the basis of calculation of license fee on the Gross Revenue of DMRC from all sources instead of revenue income earned from the mobile services under this license.

A similar matter involving Telecom Services Providers (TSPs) was under litigation before Hon'ble Supreme Court of India. The judgement in the above matter was delivered by Hon'ble Supreme Court of India on 24/10/2019. Pursuant to which DoT reiterated its stand of demand of ₹5,481.82 crores. DMRC, along with other PSUs, who were in similar circumstance, filed an application before Hon'ble Supreme Court in the TSPs

matter which was dismissed as withdrawn subsequently. However, Hon'ble Supreme Court, while adjudicating SMC (C) No – 1/2020 in CA No- 5882/2015 and other connected matters of TSPs on 11/06/2020 inter-alia has remarked that the PSUs including DMRC providing mobile services are essentially different from commercial mobile service provided by Telecom Service Providers, therefore, judgement dated 24/10/2019 should not have been made basis for raising demand against PSUs. Even otherwise, the PSUs are not in the actual business of providing mobile services to the general public.

On the basis of decision of Hon'ble Supreme Court of India, the DoT vide letter No. 1-9/CCA/IP-II/DMRC/FY 2004-05 to 2017-18 dt. 14.07.2020 has finally withdrawn the provisional demand of ₹5,481.82 crores. Whereas, DMRC, in compliance with its license agreement condition, is regularly paying applicable License Fee.

29.13 Airport Express Metro Line:

29.13.1 The DMRC Ltd. entered into a Concessionaire Agreement for 30 y ears with M/s Delhi Airport Metro Express Pvt. Ltd. (DAMEPL) for Financing, Design, Procurement, Installation and Commissioning of all systems, operations & maintenance of Airport Metro Express Line under Public Private Partnership (PPP) Model. The design and construction of basic civil structure for the project was done by DMRC. However, litigation is going on between DAMEPL & DMRC regarding operational issues of Airport Express Metro Line.

29.13.2 The sequence of events / developments and adjustments made are described below:

a) The Airport Express Line was commissioned by DAMEPL on 23rd Feb 2011 as against the scheduled completion date of 30th Sept 2010. DMRC levied liquidated damages of ₹6,037.50 Lakhs on DAMEPL on account of delay in execution of the Airport Metro Express Line.

b) DAMEPL suspended train services w.e.f. 8th July 2012 pointing out certain defects in the civil works/ installation of bearings. This was contested by DMRC as DAMEPL was responsible for inspection and maintenance of civil structures and more particularly, if there was any defect, it should have been pointed out at the time of handover to DAMEPL. Further, DMRC is of the view that bearings having problems were limited in number and those could have been repaired during operations were on.

c) Since the train operations were stopped by DAMEPL, the Ministry of Housing & Urban Affairs directed DMRC to undertake rectification for all the bearings/repairs without assumption of any liability/responsibility. DMRC carried out the repairs/rectified the defects pointed out by DAMEPL and incurred an expenditure of ₹1,410.99 Lakhs (refer Note No. 6). This was intimated to DAMEPL on 5th Oct 2012 and shown as recoverable from DAMEPL till pending litigation on the ground that incurrence of this expenditure after DLP was primarily due to lapse on the part of Concessionaire (DAMEPL). On this account, DMRC also recovered ₹580.08 Lakhs (refer Note No. 20) from the General Consultants (GC) responsible for supervision of construction of the Airport Line.

d) Despite the corrective action taken by DMRC, DAMEPL issued a Termination Notice on 8th October 2012 which in the opinion of DMRC is illegal, unwarranted and also against the provisions of the Concession Agreement. DAMEPL referred the matters to the arbitration as per the provisions of the Concession Agreement.

e) Meanwhile, DAMEPL agreed to re-commence the operations of the Project from January 22, 2013 after issue of Safety Certificate by Commissioner of Metro Railway Safety (CMRS).

f) On 27th June 2013, the Concessionaire, however, served another notice on DMRC conveying inter-alia that DAMEPL intends to stop the operations on Airport Line w.e.f. 1st July 2013. 29.13.4 On 30.05.2017 Hon'ble High Court of Delhi issued interim order directing DMRC to pay ₹60 crore directly to Axis Bank the lead lending bank to the petitioner against unconditional bank guarantee to the extent of ₹65 crore. DMRC challenged this impugned order in the Division Bench of the Hon'ble High Court of Delhi. The Division Bench in its order dated 07.06.2017 dismissed DMRC's appeal. Thereafter, DMRC challenged this order of Division Bench of Hon'ble High Court in the Hon'ble Supreme Court of India. DMRC's appeal was dismissed by Hon'ble Supreme Court of India on 19.06.2017. Accordingly, DMRC has paid ₹60 crore directly to the lender of DAMEPL on 23.06.2017 on the basis of bank guarantee to the extent of ₹65 crore.

29.13.5 On 08.08.2017, DMRC filed an appeal against the Arbitral Tribunal Award in the Hon'ble High Court of Delhi.

29.13.6 Further, the Hon'ble Delhi High Court again issued interim order dated 21.08.2017 directing DMRC to pay another instalment of ₹60 crore on the terms and conditions mentioned in the Hon'ble High Court Orders dated 30.05.2017. DMRC again paid ₹60 crore to DAMEPL on 29.09.2017 against the Bank Guarantee of ₹65.00 Crore in compliance of the orders of Hon'ble Delhi High Court.

29.13.7 Later on, the Hon'ble Delhi High Court vide order dated 06.03.2018 directed DMRC to deposit the amount of ₹3,502.62 crore, being 75% of the amount awarded under Arbitral Award along with interest, directly with the Project Lenders in Escrow Account within a period of four weeks from the date of order. Further, the two bank guarantees of ₹65 crore each furnished by the concessionaire to secure on account payment were also discharged by the court. DMRC has discharged both the Bank Guarantees of ₹65.00 crore each as directed by Hon'ble Delhi High Court and simultaneously, filed an appeal under the Section 37 of the Arbitration & Conciliation Act, 1996 before the Division Bench of Delhi High Court on 22.03.2018 against the Hon'ble High Court Order dated 06.03.2018.

29.13.8 In the meantime, the Concessionaire filed a petition under the Section 36 of the Arbitration & Conciliation Act, 1996 seeking to enforce the Arbitral Award dated 11.05.2017 requiring DMRC to pay a sum of ₹5,164.79 crore (as on 19.03.2018) along with interest.

29.13.9 The Hon'ble High Court in its order dated 23.03.2018 directed DMRC to approach lending banks to ascertain the immediate amount required to avoid the petitioner's account with the concerned banks to be classified as a non-performing asset (NPA) and to make payment of amount so ascertained to the credit of the petitioner on or before 28.03.2018 without prejudice to all the rights and contentions of the parties. Accordingly, having ascertained from the 11 different banks, DMRC made payment of ₹30,766.26 Lakhs within time in the Escrow account maintained with the Project Lenders. The Hon'ble Court has directed DMRC to fulfil the debt servicing obligations of DAMEPL as per the details to be provided by the AXIS Bank – the lead banker, till the matter is decided by the Division Bench of Hon'ble Delhi High Court.

29.13.10 On 04.04.2018 DAMEPL also filed an application in the High Court in continuation to their Execution Petition and requested the Court for further payment. DAMEPL also stated in the court that they will not press for the payment till the Hon'ble Division Bench delivers its judgment.

29.13.11 The Division Bench of the Delhi High Court vide its Order dated 10.04.2018 in response to application filed by DMRC under section 37 of the Arbitration & Conciliation Act, 1996, have directed DMRC to pay/service the dues of the bankers of M/s DAMEPL till the decision on the Appeal of the DMRC is decided by the Division Bench. 29.13.12 In the meanwhile, M/s. Reliance Infrastructure Limited (Promoter Company of the DAMEPL) also filed an Application on 27.04.2018 before the Division Bench of Delhi High Court for making them as a party to the present appeal and prayed that the amounts to the tune of ₹2,479 crore be paid directly to the lenders of M/s.

Reliance Infrastructure Limited. DMRC contested by stating that M/s. Reliance Infrastructure was neither a party in the Arbitration mechanism nor was a party in the matter before the learned Single Judge of Delhi High Court. Both the parties were directed to file their written submissions. However, the matter was dismissed vide order dated 26.09.2018.

29.13.13 The Division Bench of the Delhi High Court vide its Order dated 15.01.2019, has partly allowed DMRC appeal setting aside the award with liberty to the parties to invoke arbitration clause for fresh adjudication on their claims and counter claims. Liberty is also granted to the DMRC to move an application for restitution and both parties to move an application under the Arbitration & Conciliation Act. On the basis of this order no payment has been released to Axis Bank after December 2018.

29.13.14 DMRC, vide its letter dated 30.01.2019 has intimated DAMEPL that with the setting aside of the aforesaid award, DAMEPL is obliged to perform its obligations including the obligation to operate and maintain the airport metro express line and start the operation and maintenance of airport express line from the closing of business hours of 16.02.2019.

29.13.15 Against this, DAMEPL have filed Special Leave Petition (Application No. 4115/2019) in Hon'ble Supreme Court of India on 28.01.2019 challenging the judgement of Division Bench of Delhi High Court dated 15.01.2019 and also filed Additional Affidavit in the Hon'ble Supreme Court of India on 22.02.2019 praying for Interim Relief & Stay of Hon'ble Division Bench's Order dated 15.01.2019. 29.13.16 In the meantime, DMRC has also filed Special Leave Petition in the Supreme Court on 11.03.2019 challenging the impugned Order of Division Bench dated 15.01.2019 as some of DMRC's prayers relating to Interest awarded by Arbitral Tribunal and its plea that DAMEPL had waived their right of Termination by participating in repairs and recommencing operation of the Line were not accepted by Division Bench of Delhi High Court. The Hon'ble Supreme Court listed the matter for hearing on 23.07.2019 and 23.08.2019 but the matter could not be heard on these days as the concerned Hon'ble Judges were sitting in the constitution Bench. The Hon'ble Supreme Court listed the matter for hearing on 20.11.2019. Mr. Harish Salve (Counsel of DAMEPL) appeared before the Supreme Court and requested to defer the matter for 12.02.2020 as he was going out of the country. The Hon'ble Supreme Court listed the matter for hearing on 12.02.2020, 15.06.2020 and 29.07.2020 but the matter could not be heard. The matter is still pending.

29.13.17 DMRC has also filed a restitution petition in the Delhi High Court on 01.02.2019 to direct DAMEPL and Axis Bank for restitution of the amount of ₹678.42 Crore (plus interest 12%). DAMEPL filed the replies of Restitution Application on 26.08.2019. The matter was heard in the High Court on 27.08.2019. The Court directed that Rejoinder to be filed within four weeks by the DMRC. The Court listed the matter for hearing on 26.02.2020 & 21.07.2020 but as the decision of the Hon'ble Supreme Court was still pending on Special Leave Petition, therefore, High Court listed the matter on 15.09.2020.

29.26 During supplementary audit of Annual Accounts of FY 2018-19, C&AG had issued Half Margin on capitalization of all milestone cost of Rolling Stock upon opening of metro lines for passengers. The Company is of the view that capitalization of cost of these milestones which are not achieved on the date of opening of metro lines, is not correct. It will be capitalised when the activity defined in the milestone is completed by the Contractor, claim raised for the BOQ amount and certified by the Engineer.

The issue has been referred to Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India (ICAI) for their expert opinion. The opinion from EAC of ICAI is still awaited.

29.27 Due to COVID-19 pandemic, the nationwide lockdown was declared by Government w.e.f., 22nd March 2020, which has adversely affected the overall activities of the Company like stoppage of train operations, shortage of workforce, restriction on inter-state transportation of material, equipment etc.

During current FY 2019-20, the lockdown is limited to ten days only. The estimated impact on revenue due to stoppage of train operations during FY 2019-20 is approx. **₹9,526.20 Lakhs**, and on other activities, it is not measurable at this stage. However, the management is of the view that there is no impact on the going concern assumption as well as impairment of assets and no executory contracts have become onerous due to adverse impact of COVID-19 as on 31.03.2020.

The revenue from Traffic Earnings, Advertisements, Parking, Rentals from Property Development & other Property Business operations, and other revenue generating activities during FY 2020-21 would also be adversely impacted. The impact of COVID-19 would not only be limited to rendering of services, but also to complete the contracts. The overall impact is being assessed by the Company and will be suitably reflected in the annual accounts of FY 2020-21.

29.28 As per financing plan sanctioned by Govt. of India for extension of Mukundpur – Yamuna Vihar metro line to Shiv Vihar under Delhi MRTS Phase-III, share of Govt. of Uttar Pradesh (GoUP) is **₹63.27 crore** (P.Y. ₹63.27 crore). Pending signing of Memorandum of Understanding (MoU) with GoUP, the funds have not been released by GoUP till date. The same will be accounted for, on finalisation of MoU.

29.29 Previous year's figures have been regrouped/rearranged/reclassified, wherever necessary, to make them comparable to the current year's presentation.

Emphasis of Matter

1. We draw attention to Note No. 29.13 to the Standalone Financial Statements. Pending final outcome of all the ongoing legal proceedings in respect of operation of airport metro line, the total consequential financial impact is not ascertainable.
2. We also draw attention to Note No. 29.27 to the Standalone Financial Statements. Due to nationwide lockdown imposed by government w.e.f. 22.03.2020, the impact on revenue due to suspension of train operations in FY 2019-20 is ₹9,526.20 Lakhs.
3. Attention is also drawn to Note No. 29.5 to the Standalone Financial Statements wherein the useful life of Viaduct, Bridges & Tunnels and related Permissions has been reviewed by the Company. Based on technical assessment, the useful life of these assets has been changed from 30 years to 60 years and depreciated accordingly. Consequently, depreciation expense for the year has reduced by ₹37,027.51 Lakhs on this account and Property, Plant & Equipment (PPE) has increased to that extent.

   Our opinion is not qualified in respect of all the matters mentioned above.

When we read the Board's Report including annexures to the Board's Report and Corporate Governance Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work

and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE - C TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements' section our Report of even date to the Members of Delhi Metro Rail Corporation Limited on the Standalone Financial Statements for the year ended 31st March 2020

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Delhi Metro Rail Corporation Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with

reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls system with reference to Standalone Financial Statements were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

3) BASIS OF MEASUREMENT

The consolidated financial statements are prepared on accrual basis of accounting under historical cost convention except as otherwise provided in the policy.

4) USE OF ESTIMATES AND MANAGEMENT JUDGEMENTS

The preparation of the consolidated financial statements in conformity with Ind AS requires estimates and assumptions to be made that affect the reported amounts of revenues and expenses during the reported period and the reported amounts of assets, liabilities and disclosures of contingent liabilities on the date of consolidated financial statements. Actual results could differ from these estimates. Differences between actual results and estimates are recognized in the period in which the results are crystallised.

In order to enhance understanding of the consolidated financial statements, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements is as under:

a) (i) **Property, Plant and Equipment:** Property, plant and equipment represent a significant proportion of asset base of the Group. The charge in respect of periodic depreciation is derived after determining the estimate of an asset expected useful life, the expected residual value at the end of its life and depreciation method. The useful lives and residual values of Group's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end along with depreciation method. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

a) (ii) **Intangible assets:** The charge in respect of periodic amortization is derived after determining the estimate of an asset expected useful life and amortization method. The useful lives are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end along with amortization method. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

b) **Provisions:** Provisions are determined based on management estimate at the balance sheet date.

c) **Contingent liabilities/Assets:** Contingent liabilities/assets are disclosed on the basis of judgment of management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

d) **Post-employment benefit plans:** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Group considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

e) **Impairment test of Property, Plant & Equipment and Intangible Assets:** The recoverable amount of PPE and Intangible Assets is determined based on judgment of assumptions of technical experts. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

f) **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

g) **Trade Receivables and Loans & Advances:** Provision for doubtful trade receivables / loans & advances is recognized when there is uncertainty of realisation irrespective of the period of its dues and written off when unrealisability is established.

i. Some landowners have filed suit against the Company for compensation of land, which cannot be quantified. Liabilities, if any, in respect of these cases pending with the courts shall be provided after completion of legal proceedings.

ii. In August 2017, on the recommendations of the Environment Pollution (Prevention & Control) Authority (hereinafter referred as "EPCA"), Hon'ble Supreme Court of India has approved and implemented the Delhi Outdoor Advertising Policy 2017 (hereinafter referred as "OAP-2017") which supersedes all previous Delhi Outdoor Polices. Since certain provisions of aforementioned newly implemented OAP-2017 like revenue sharing, requirement of obtaining permission from respective Municipal Corporations, tenure of advertisement tenders etc. are adversely affecting the advertisement business of the Company, the Company has put the tenders for advertisement rights on civil structures on hold and moved to the Hon'ble Supreme Court of India to challenge the provisions of OAP-2017.

Subject to pending decision in Hon'ble Supreme Court, Company has decided that as per the provisions of OAP-2017, the rate of revenue share from aforementioned outdoor advertisement contract has been fixed as 35% for all civic agencies, accordingly, revenue is being shared from said contracts @ 35% w.e.f. 01.04.2013 with all civic agencies of Delhi. It has also been decided that besides aforementioned contracts, percentage from outdoor advertisement portion of Co-branding contracts and Tripods installed in civic agencies jurisdiction is also shared with concerned civic agencies of Delhi.

Accordingly, the Company has paid a sum of ₹ **7,689.21 lakhs** (P.Y. ₹ 6,302.64 lakhs) in respect of all MCDs and balance amount of ₹ **509.01 lakhs** (P.Y. ₹ 822.23 lakhs) shown as payable in books of accounts till 31.03.2020.

As regards Ghaziabad & Haryana Authorities, MoU entered into with them clearly specify that revenues generated by carriage of commuters traffic as well as through advertisements and property development in station areas as well as air space above the station will accrue to the Company. But in case of Noida Authority, only revenues generated by carriage of commuters traffic accrue to the Company.

iii. MRM, a consortium comprising of three members i.e. Mitsubishi Corporation (Japan)-Rotem (Korea)-Mitsubishi Electric Corporation (Japan), under Contract RS-1, received demand of ₹14,653.56 lakhs (P.Y. ₹14,653.56 lakhs) for FY 2003-04 to 2007-08 from Karnataka Sales Tax Department on account of non-payment of Central

Sales Tax in respect of 55 train sets indigenously manufactured/assembled at Bengaluru and supplied to the DMRC.

Out of Demand of ₹14,653.56 Lakhs, ₹4,334.68 Lakhs is pertaining to Financial Years 2003-04 & 2004-05 and ₹10,318.88 Lakhs is pertaining to Financial Years 2005-06 to 2007-08. Against the demand of ₹4,334.68 Lakhs in respect of Financial Years 2003-04 & 2004-05, MRM filed an appeal before the Karnataka Sales Tax Tribunal, which was dismissed. On appeal, Hon'ble Karnataka High Court vide order dated 29.09.2011 has also confirmed the Central Sales Tax liability. Against this order, MRM has filed a Special Leave Petition (SLP) before the Hon'ble Supreme Court. Hearing and disposal of matter has been delayed due to COVID-19 impact and is still pending.

Further, against the demand of ₹10,318.88 Lakhs in respect of Financial Years 2005-06 to 2007-08, Joint Commissioner of Commercial Taxes (Appeals), Bangalore on 09.10.2012 has disposed off the matter in favour of Karnataka Sales Tax Department and accordingly demand notices of ₹10,318.88 Lakhs were issued on Mitsubishi Corporation (Japan) towards the payment of amount due including interest and penalty. Against this demand of ₹10,318.88 Lakhs, an appeal was filed by MRM before Karnataka Appellate Tribunal (KAT) and the matter is currently pending before the Karnataka Appellate Tribunal which is being stayed awaiting the decision from Hon'ble Supreme Court for FY 2003-04 and 2004-05.

MRM issued a 'Notice of Dispute' under Clause 20 of Contract RS1 and claimed the demand amount of ₹14,653.56 lakhs from DMRC. MRM also invoked Arbitration Clause as per contract conditions. DMRC provided a panel of five Arbitrators but MRM did not appoint their nominee out of the panel, and asked DMRC to provide entire list of DMRC's broad-based panel containing persons from diverse professional backgrounds, including retired judges and reputed lawyers, giving reference to the judgment dated 10.02.2017 of the Hon'ble Supreme Court in Arbitration Petition concerning Voestalpine Schienen GmbH and DMRC. DMRC rejected MRM's request on the ground that the judgment dated 10.02.2017 was not applicable in the current case, being issued on a later date. MRM disagreed with DMRC's position and filed petition u/s 11 of Arbitration and Conciliation Act 1996 on 26.10.2018 to Hon'ble Supreme Court of India. MRM's Arbitration Petition has been admitted by Hon'ble Supreme Court of India on 20.11.2018 and accordingly Hon'ble Supreme Court issued notice to DMRC. DMRC has filed an affidavit and reply to MRM's petition on 12.02.2019. The case is pending in Hon'ble Supreme Court for further hearing.

iv. For various properties of the Company falling under jurisdiction of local municipal authorities of East, South & North Delhi, as per Minutes of the meeting (MOM) dated 08.02.2019, it was decided that DMRC will pay service charges in lieu of property tax @ 75% in respect of operational areas and in case of non-operational areas service charges equivalent to property tax. Further as per MOM dated 30.05.2019, it has been decided that unit area values be re-examined by East MCD as other two corporations have not implemented the recommendations of MVC 3 report. Hence use factor and categories as implemented under unified corporation be allowed and adopted by EDMC and effective/ cut-off date for applicability of service charge/ property tax shall be from 2017-18 onwards. Accordingly, based on the demands received from EDMC, NDMC and SDMC including interest and penalty, an amount of ₹10,343.80 lakhs, ₹3,066.49 lakhs and ₹3,316.83 lakhs respectively has been included as contingent liability in clause a)- Others of item no. 1.1 of Note No 29.

In addition to above, till 31.03.2020, an amount of ₹ 3,940.31 lakhs (P.Y. ₹ 2,717.30 lakhs) have been withdrawn by various MCDs through attachments and ₹ 3,432.00 lakhs (P.Y. ₹ 1,000.00 lakhs) has been paid by DMRC under protest. Out of this, an amount of ₹ 2,054.23 lakhs (P.Y. ₹ 1,175.38 lakhs) has been shown as recoverable from the concessionaire as per terms of the Concession agreement and balance amount of ₹ 5,318.07 lakhs (P.Y. ₹ 2,541.92 lakhs) has been shown as recoverable from the respective MCDs.

v. DMRC entered into an agreement for Infrastructure Provider-II (IP-II) license with Department of Telecommunications (DoT) on 02/12/2004 primarily to meet the requirement of mobile services in the underground metro stations to its commuters. As per condition in License Agreement, DMRC is to pay 8% for the revenue income earned from the services under this license. DMRC is also regularly submitting audited documents in support of the license fee to be paid by DMRC every year.

Subsequently, DoT raised a provisional demand of ₹ 5,481.82 crores pertaining to the years 2004-05 to 2017-18 on the basis of calculation of license fee on the Gross Revenue of DMRC from all sources instead of revenue income earned from the mobile services under this license.

A similar matter involving Telecom Services Providers (TSPs) was under litigation before Hon'ble Supreme Court of India. The judgement in the above matter was delivered by Hon'ble Supreme Court of India on 24/10/2019. Pursuant to which DoT reiterated its stand of demand of ₹ 5,481.82 crores. DMRC, along with other PSUs, who were in similar circumstance, filed an application before Hon'ble Supreme Court in the TSPs matter which was dismissed as withdrawn subsequently. However, Hon'ble Supreme Court, while adjudicating

SMC (C) No – 1/2020 in CA No- 5882/2015 and other connected matters of TSPs on 11/06/2020 inter-alia has remarked that the PSUs including DMRC providing mobile services are essentially different from commercial mobile service provided by Telecom Service Providers, therefore, judgement dated 24/10/2019 should not have been made basis for raising demand against PSUs. Even otherwise, the PSUs are not in the actual business of providing mobile services to the general public.

On the basis of decision of Hon'ble Supreme Court of India, the DoT vide letter No. 1-9/CCA/IP-II/DMRC/FY 2004-05 to 2017-18 dt. 14.07.2020 has finally withdrawn the provisional demand of ₹5,481.82 crores. Whereas, DMRC, in compliance with its license agreement condition, is regularly paying applicable License Fee.

As per the agreement, the concession period is 30 years starting from 26.05.2010.

M/s PIPL had taken loan from LIC Housing Finance Corporation Ltd (LICHFCL) for construction of building and executed a deed of hypothecation on assets and receivable in favour of M/s LICHFCL, which is in breach of essential conditions of Concession Agreement with DMRC.

29.13 Airport Express Metro Line:

29.13.1 The DMRC Ltd. entered into a Concessionaire Agreement for 30 y ears with M/s Delhi Airport Metro Express Pvt. Ltd. (DAMEPL) for Financing, Design, Procurement, Installation and Commissioning of all systems, operations & maintenance of Airport Metro Express Line under Public Private Partnership (PPP) Model. The design and construction of basic civil structure for the project was done by DMRC. However, litigation is going on between DAMEPL & DMRC regarding operational issues of Airport Express Metro Line.

29.13.2 The sequence of events / developments and adjustments made are described below:

a) The Airport Express Line was commissioned by DAMEPL on 23rd Feb 2011 as against the scheduled completion date of 30th Sept 2010. DMRC levied liquidated damages of ₹ 6,037.50 Lakhs on DAMEPL on account of delay in execution of the Airport Metro Express Line.

b) DAMEPL suspended train services w.e.f. 8th July 2012 pointing out certain defects in the civil works/ installation of bearings. This was contested by DMRC as DAMEPL was responsible for inspection and maintenance of civil structures and more particularly, if there was any defect, it should have been pointed out at the time of handover to DAMEPL. Further, DMRC is of the view that bearings having problems were limited in number and those could have been repaired during operations were on.

c) Since the train operations were stopped by DAMEPL, the Ministry of Housing & Urban Affairs directed DMRC to undertake rectification for all the bearings/repairs without assumption of any liability/responsibility. DMRC carried out the repairs/rectified the defects pointed out by DAMEPL and incurred an expenditure of ₹ 1,410.99 Lakhs (refer Note No. 6). This was intimated to DAMEPL on 5th Oct 2012 and shown as recoverable from DAMEPL till pending litigation on the ground that incurrence of this expenditure after DLP was primarily due to lapse on the part of Concessionaire (DAMEPL). On this account, DMRC also recovered ₹ 580.08 Lakhs (refer Note No. 20) from the General Consultants (GC) responsible for supervision of construction of the Airport Line.

d) Despite the corrective action taken by DMRC, DAMEPL issued a Termination Notice on 8th October 2012 which in the opinion of DMRC is illegal, unwarranted and also against the provisions of the Concession Agreement. DAMEPL referred the matters to the arbitration as per the provisions of the Concession Agreement.

e) Meanwhile, DAMEPL agreed to re-commence the operations of the Project from January 22, 2013 after issue of Safety Certificate by Commissioner of Metro Railway Safety (CMRS).

f) On 27th June 2013, the Concessionaire, however, served another notice on DMRC conveying inter-alia that DAMEPL intends to stop the operations on Airport Line w.e.f. 1st July 2013. The Board of DMRC, in their meeting held on 28th June 2013 examined the various available options and after detailed discussions and deliberations decided that the notice given by the Concessionaire is in violation of the Concession Agreement and unwarranted and decided to take over complete operation and maintenance of the airport line on behalf of DAMEPL in the larger public interest w.e.f. 01.07.2013. Being a default of the concessionaire, the performance

bank guarantee of DAMEPL of ₹ 5,500 Lakhs was also encashed & grouped in Note No. 18 (also refer Note No. 29.13.18).

Further, the two bank guarantees of ₹65 crore each furnished by the concessionaire to secure on account payment were also discharged by the court. DMRC has discharged both the Bank Guarantees of ₹65.00 crore each as directed by Hon'ble Delhi High Court and simultaneously, filed an appeal under the Section 37 of the Arbitration & Conciliation Act, 1996 before the Division Bench of Delhi High Court on 22.03.2018 against the Hon'ble High Court Order dated 06.03.2018.

29.13.8 In the meantime, the Concessionaire filed a petition under the Section 36 of the Arbitration & Conciliation Act, 1996 seeking to enforce the Arbitral Award dated 11.05.2017 requiring DMRC to pay a sum of ₹5,164.79 crore (as on 19.03.2018) along with interest.

29.13.9 The Hon'ble High Court in its order dated 23.03.2018 directed DMRC to approach lending banks to ascertain the immediate amount required to avoid the petitioner's account with the concerned banks to be classified as a non-performing asset (NPA) and to make payment of amount so ascertained to the credit of the petitioner on or before 28.03.2018 without prejudice to all the rights and contentions of the parties. Accordingly, having ascertained from the 11 different banks, DMRC made payment of ₹30,766.26 Lakhs within time in the Escrow account maintained with the Project Lenders. The Hon'ble Court has directed DMRC to fulfil the debt servicing obligations of DAMEPL as per the details to be provided by the AXIS Bank – the lead banker, till the matter is decided by the Division Bench of Hon'ble Delhi High Court.

29.13.10 On 04.04.2018 DAMEPL also filed an application in the High Court in continuation to their Execution Petition and requested the Court for further payment. DAMEPL also stated in the court that they will not press for the payment till the Hon'ble Division Bench delivers its judgment.

M/s. Reliance Infrastructure Limited. DMRC contested by stating that M/s. Reliance Infrastructure was neither a party in the Arbitration mechanism nor was a party in the matter before the learned Single Judge of Delhi High Court. Both the parties were directed to file their written submissions. However, the matter was dismissed vide order dated 26.09.2018.

29.13.13 The Division Bench of the Delhi High Court vide its Order dated 15.01.2019, has partly allowed DMRC appeal setting aside the award with liberty to the parties to invoke arbitration clause for fresh adjudication on their claims and counter claims. The Hon'ble Supreme Court listed the matter for hearing on 23.07.2019 and 23.08.2019 but the matter could not be heard on these days as the concerned Hon'ble Judges were sitting in the constitution Bench. The Hon'ble Supreme Court listed the matter for hearing on 20.11.2019. Mr. Harish Salve (Counsel of DAMEPL) appeared before the Supreme Court and requested to defer the matter for 12.02.2020 as he was going out of the country. The Hon'ble Supreme Court listed the matter for hearing on 12.02.2020, 15.06.2020 and 29.07.2020 but the matter could not be heard. The matter is still pending.

Credit risk related to employee loans are considered negligible since loan is secured against the property for which loan is granted to the employees. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures that the amounts are within defined limits. There are no impairment provisions as at each reporting date against these financial assets. The Group considers all the above financial assets as at the reporting dates to be of good credit quality.

C) Liquidity Risk

The Group's liquidity needs are monitored on the basis of monthly and yearly projections. The Group's principal sources of liquidity are revenue generated from operations, Long term loan from JICA, Interest free subordinate debt, Share Capital and Grant.

The Group manages its liquidity needs by continuously monitoring cash inflows and by maintaining adequate cash and cash equivalents. Net cash requirements are compared to available cash in order to determine any shortfalls.

Short term liquidity requirements consists mainly of sundry creditors, expense payable, employee dues, current maturities and interest of JICA loan and retention & deposits arising during the normal course of business as of each reporting date. The Group maintains a sufficient balance in cash & cash equivalents and other bank balances to meet its short term liquidity requirements.

The Group assesses long term liquidity requirements on a periodical basis and manages them through internal accruals. The Group's non-current liabilities include repayment of JICA loan, interest free subordinate debt, retentions & deposits and liabilities for employee benefits. Further, liability in respect of PTA-received from GOI will be adjusted with JICA Loan.

The table below provides details regarding the contractual maturities of financial liabilities. The table has been drawn up based on the cash flows of financial liabilities based on the earliest date on which the Group may be required to pay.

29.26 During supplementary audit of Annual Accounts of FY 2018-19, C&AG had issued Half Margin on capitalization of all milestone cost of Rolling Stock upon opening of metro lines for passengers. The Company is of the view that capitalization of cost of these milestones which are not achieved on the date of opening of metro lines, is not correct. It will be capitalised when the activity defined in the milestone is completed by the Contractor, claim raised for the BOQ amount and certified by the Engineer.

The issue has been referred to Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India (ICAI) for their expert opinion. The opinion from EAC of ICAI is still awaited.

29.27 Due to COVID-19 pandemic, the nationwide lockdown was declared by Government w.e.f., 22nd March 2020, which has adversely affected the overall activities of the Company like stoppage of train operations, shortage of workforce, restriction on inter-state transportation of material, equipment etc.

During current FY 2019-20, the lockdown is limited to ten days only. The estimated impact on revenue due to stoppage of train operations during FY 2019-20 is approx. **₹9,526.20 Lakhs**, and on other activities, it is not measurable at this stage. However, the management is of the view that there is no impact on the going concern assumption as well as impairment of assets and no executory contracts have become onerous due to adverse impact of COVID-19 as on 31.03.2020.

The revenue from Traffic Earnings, Advertisements, Parking, Rentals from Property Development & other Property Business operations, and other revenue generating activities during FY 2020-21 would also be adversely impacted. The impact of COVID-19 would not only be limited to rendering of services, but also to complete the contracts. The overall impact is being assessed by the Company and will be suitably reflected in the annual accounts of FY 2020-21.

29.28 As per financing plan sanctioned by Govt. of India for extension of Mukundpur – Yamuna Vihar metro line to Shiv Vihar under Delhi MRTS Phase-III, share of Govt. of Uttar Pradesh (GoUP) is **₹63.27 crore** (P.Y. ₹63.27 crore). Pending signing of Memorandum of Understanding (MoU) with GoUP, the funds have not been released by GoUP till date. The same will be accounted for, on finalisation of MoU.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DELHI METRO RAIL CORPORATION LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Delhi Metro Rail Corporation Limited** (hereinafter referred to as the 'Holding Company') and its subsidiary (the Holding Company and its subsidiary together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiary referred in the Other Matters section below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated state of affairs of the Group as at 31 March 2020 and its consolidated total comprehensive loss, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, and the audit evidence obtained by other auditors is sufficient and appropriate to provide a basis for our opinion on Consolidated Financial Statements.

Emphasis of Matter

1. We draw attention to Note No. 29.13 to the Consolidated Financial Statements. Pending final outcome of all the ongoing legal proceedings in respect of operation of airport metro line, the total consequential financial impact is not ascertainable.
2. We also draw attention to Note No. 29.27 to the Consolidated Financial Statements. Due to nationwide lockdown imposed by government w.e.f. 22.03.2020, the impact on revenue due to suspension of train operations in FY 2019-20 is ₹ 9,526.20 Lakhs.
3. Attention is also drawn to Note No. 29.5 to the Consolidated Financial Statements wherein the useful life of Viaduct, Bridges & Tunnels and related Permissions has been reviewed by the Company. Based on technical assessment, the useful life of these assets has been changed from 30 years to 60 years and depreciated accordingly. Consequently, depreciation expense for the year has reduced by ₹37,027.51 Lakhs on this account and Property, Plant & Equipment (PPE) has increased to that extent.
4. The auditor of the Subsidiary Company has reported as follows:

   We draw attention to the Note no. 8.3 (Note No. 29.29 of the Consolidated Financial Statements), which inter alia state that the Company continues to be non-operational in 'financial terms' and the operations expected to be undertaken by the Company are undertaken by the Holding Company with no direct or indirect involvement of the Company and being not undertaken in the name of the Company. It is further stated that the Company does not have any staff and the insignificant expenditure and cost of negligible time spent by the Holding Company is absorbed by the Holding Company. However the facts stated in the note referred are not validated with

the actual facts and records placed before us including the proceedings of the Board. In fact for Multi Modal Integration, feeder services, associated utilities viz toilet blocks, charging stations, etc. presently being managed by the Holding Company will be managed by the Company with the Holding Company shall continue to provide support/facilities for various activities of the Company and "all the revenues and expenditure shall continue to be accounted in the Holding Company". Despite seeking clarification on the amount spent and earned by the Holding Company for activities that were expected to be undertaken by the Company for disclosure purposes, no such information including for expenditure incurred on behalf of the Company was made available to us, except that we are informed that for any expenditure incurred on behalf of the Company 'will not be claimed in future from the Company. Despite our not being satisfied due to the uncertainty of the arrangement, because of the relationship of the Company being a 100 % Subsidiary of the Holding Company, we are reporting under "Emphasis of Matter" and not a qualified opinion.

Our opinion is not qualified in respect of all the matters mentioned above.

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including annexures to the Board's Report, and Corporate Governance Report but does not include the Consolidated Financial Statements and our auditor's report thereon, which is expected to be made available to us after the date of this Auditor's report.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, Consolidated cash flows of the Group and Consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of Consolidated Financial Statements by the directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section our Report of even date to the Members of Delhi Metro Rail Corporation Limited on the Consolidated Financial Statements for the year ended 31st March 2020

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Delhi Metro Rail Corporation Limited ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as 'the Group') as of 31 March 2020 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Subsidiary have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to Delhi Metro Last Mile Services Limited, the subsidiary, is based on the corresponding report of the auditor of the subsidiary, which states that the Company is at very initial stages and existence or adequacy of internal financial controls with reference to Financial Statements of the Company and operating effectiveness of such controls are under implementation.

Our opinion is not modified in respect of above matter.

The carrying values of financial instruments by categories are as follows:

Particulars	As at 31st March, 2020 (₹)	As at 31st March, 2019 (₹)
	Amortized cost	Amortized cost
Financial Assets:		
Cash & Cash Equivalents (Refer Note 1)	41,000	1,00,000

All financial instruments of the Company are covered under 'Amortized Cost' category. Therefore, carrying values under Fair Value through Profit & Loss (FVTPL) and Fair Value through Other Comprehensive Income (FVOCI) are Nil (P.Y. Nil).

(ii) Fair Value Hierarchy

Financial assets and liabilities measured at fair value are categorized into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical financial instruments that the entity can access at the measurement date.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of relevant observable market input and minimize use of unobservable inputs.

Level 3 - If one or more of the significant inputs is not based on observable market input, the instrument is categorized in level 3 of fair value hierarchy.

(iii) Fair value of financial assets and liabilities measured at amortized cost:

The carrying amounts of Cash & Cash Equivalents and Other Financial Liabilities are considered to be the same as their fair values, due to their short-term nature.

(iv) Valuation techniques and process used to determine fair values

The carrying value of financial asset and liabilities with maturities less than 12 months are considered to be representative of their fair value.

B. Financial Risk Management

We have audited the accompanying financial statements of **Delhi Metro Last Mile Services Limited** (the "Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended 31st March, 2020, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020 and its loss (including Other Comprehensive Income), its changes in equity and its cash flows for the year ended on 31st March, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report (which we understand will be prepared and provided to us after the C&AG audit) including annexures to the Board's Report, but does not include the financial statements and our auditor's report thereon, which is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's Report including annexures to the Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance, which if necessary will be communicated as a supplement to this report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of Matter

Company". Despite our not being satisfied due to the uncertainty of the arrangement, because of the relationship of the Company being a 100% Subsidiary of the Holding Company. we are reporting under "Emphasis of Matter" and not a qualified opinion.

Our opinion is not qualified in respect of above mentioned matter for reasons detailed therein.
