WELCOME

OVERVIEW

Gaming: Behind The Screens is a documentary series exploring the *positive impact of gaming*, Twitch, and online communities around the world. It highlights the stories of people whose lives have been changed by gaming — finding friendship, support, and belonging through shared virtual spaces.

THE VISION

Gaming is more than a hobby — it's connection, creativity, and community. This project aims to *challenge the stigma around gaming* by showcasing the supportive, uplifting, and inspiring stories that exist within the gaming world.

THE PROJECT

FORMAT :
8–12 episode documentary series

FOCUS :
Positivity in gaming, online socialising, and community building

APPROACH :
Global interviews (online and in-person), personal stories, and behind-the-scenes insight into gaming culture

STORIES :
The stories gathered will influence the content of the documentary. Topics so far include content creation, neurodivergence, and relationships

GOAL :
To present the brighter, human side of the internet and gaming life

TIMELINE

FILMING:

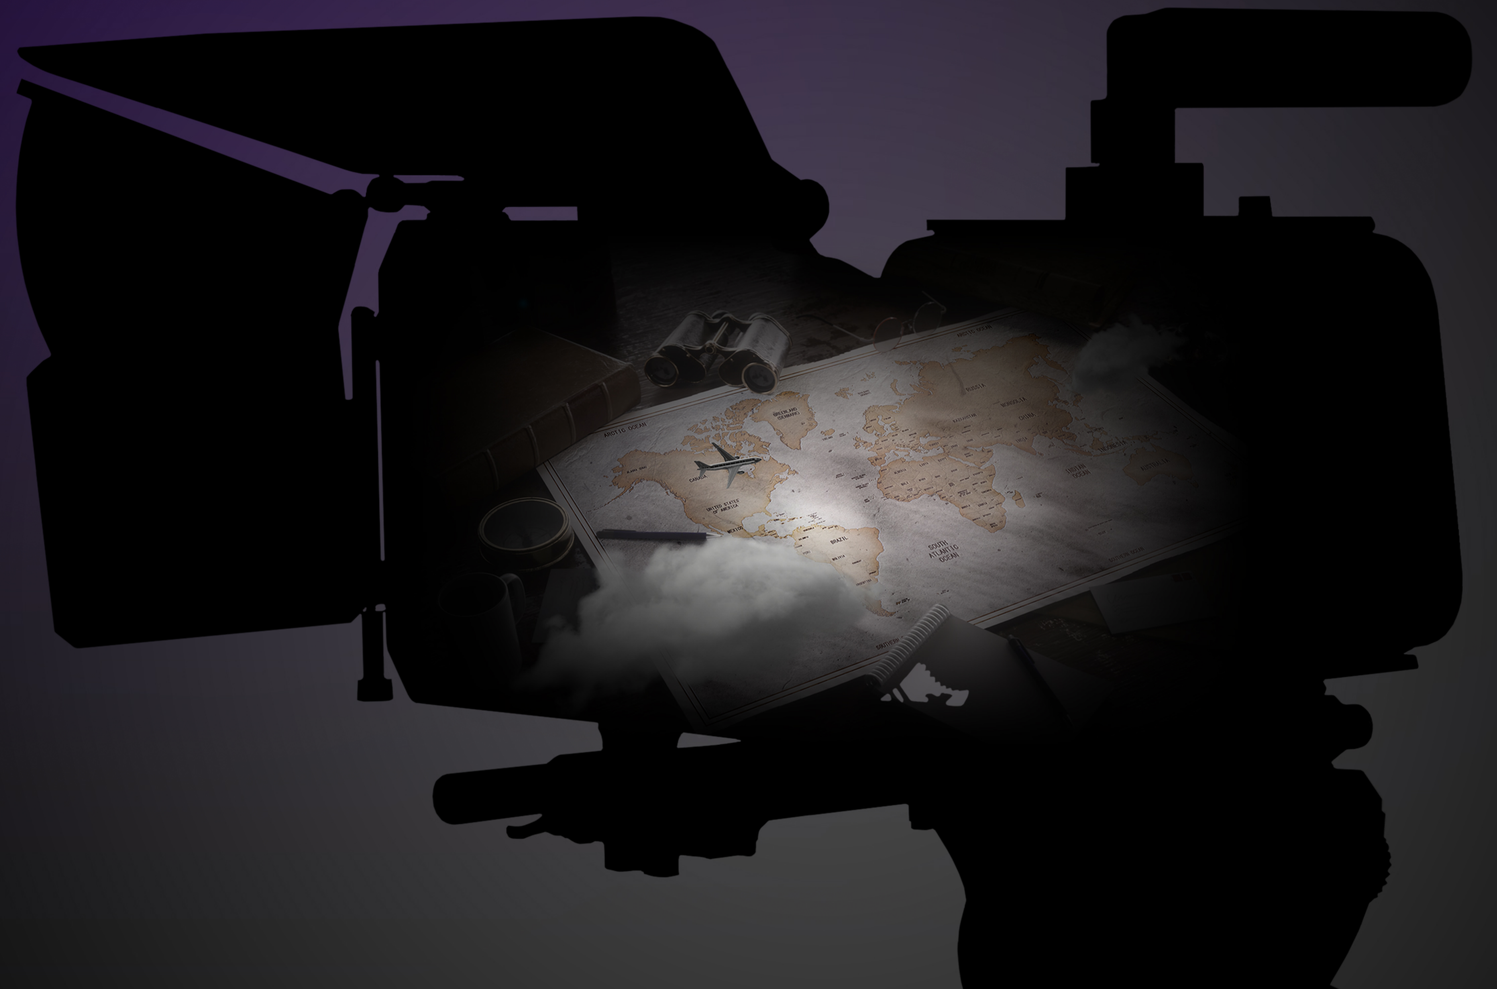

Ongoing through 2026

EDITING BEGINS:
