THE MDDI SCHOLARSHIP IS YOUR WINDOW TO MORE

Leap into a brighter future and
more opportunities with MDDI Scholarship!

ENGAGING HEARTS AND MINDS, A THRIVING DIGITAL FUTURE FOR ALL

At the Ministry of Digital Development and Information (MDDI), we communicate and explain government policies so that Singaporeans are informed and engaged on national and social issues. We develop policies to shape the future of Singapore's digital economy to ensure that our people and businesses seize opportunities in the infocomm and media sectors. We work with stakeholders to build a trusted cyberspace to safeguard our interests online.

The MDDI Scholarship will put you at the forefront in the government communications, digital and technology domains. You will do meaningful work that enables Singaporeans to work, live and thrive in the digital future.

LEAP INTO A BRIGHTER FUTURE WITH THE MDDI SCHOLARSHIP!

At MDDI, we offer two scholarships:

1. **MDDI INFORMATION SERVICE SCHOLARSHIP**
   For those interested in pursuing a career in government communications.

2. **MDDI INFORMATION SERVICE (TRANSLATION) SCHOLARSHIP**
   For those interested in both government communications and translation work.

As an MDDI Scholar, you will shape public communications and build translation capabilities in the public service, and keep Singaporeans engaged on national and social issues. You would be the voice connecting the government and our people.
