HOW TO APPLY?

1 Comb your hair.

Decide where you want to wear it and part your hair horizontally. 2

3 If you have thin hair, we recommend backcombing your hair or twisting a few strands of hair into a single strand before wearing hair extensions.

Clip the hair clip into the parting. 4

5 Wear it in the recommended position, starting from the bottom and working your way up.After putting it on, let your hair down.Then you can style it.
