Rixons	rixonsbus.com.au	Rx1, Rx2	On request, these services can pick up and set down passengers at most locations within the Australian Capital Territory.																		

Please note: Only direct services that cross the ACT border are shown. Some services stop in extra locations for passengers only travelling outside of the ACT. Some destinations require a booking or are only serviced at certain times. While Map Depot has taken great care in the production of this map as of November 2025, it is an unofficial publication – please plan your trip prior to travelling.
