

TWO NAME GAMES

WORKSHOPS

**UNLOCK COLLABORATION,
CREATIVITY, AND LEADERSHIP
THROUGH PLAY.**

ABOUT OUR WORKSHOPS:

We blend structured play with research-backed methodologies to deliver memorable, actionable experiences that enhance collaboration, innovation, and leadership in your teams.

Choose a workshop tailored to your organisation's goals and discover tangible outcomes that last beyond the session.

WORKSHOPS:

- PLAYFUL THINKING
- COLLABORATE DIFFERENTLY
- LEGO SERIOUS PLAY
- LEADER FORGE
- INNOVATION THROUGH PLAY

WHY WE USE STRUCTURED PLAY:

What people have said about working with us:

- “The session shifted my perspective and brought joy back into my work.”
- “Informative, inspiring, exciting.”
- “Your solution had an unexpected and important impact on our development pipeline.”
- “The skill tree helped me see where to start, and how to keep going.”
- “Approachable, knowledgeable, and genuinely driven to help.”

Our work has supported:

- Game developers building creative pipelines
- Educators designing new learning journeys
- Professionals reconnecting with their purpose
- Teams reflecting on how they work together

We're early — but the impact is clear.

PLAYFUL THINKING WORKSHOP

Tools for Creativity, Resilience, and Breakthroughs

Spark innovation and resilience through playful experimentation. Overcome burnout, stagnation, and creative blocks.

IDEAL FOR:

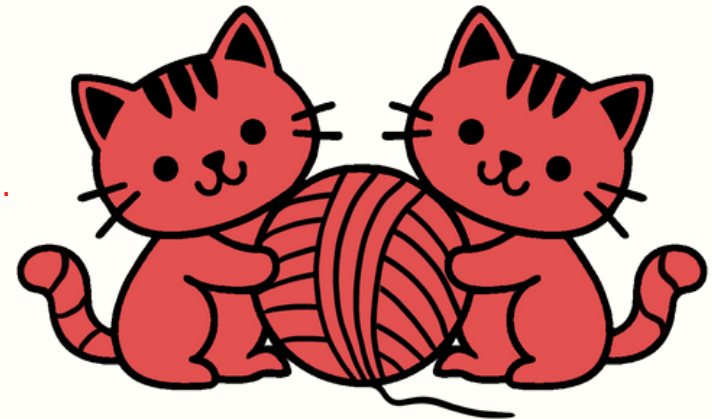

- Teams seeking fresh solutions and renewed energy.
- Professionals experiencing stress or creative fatigue.

OUTCOMES:

- Practical techniques to reduce stress and ignite innovation.
- A custom workbook with actionable strategies.
- A supportive community fostering ongoing inspiration.

DURATION: 3 HOURS

PARTICIPANTS: 3+

COLLABORATE DIFFERENTLY

A Playful Workshop to build Trust, Clarity, and Connection

Enhance team cohesion and alignment through playful, guided collaboration challenges and reflective activities.

IDEAL FOR:

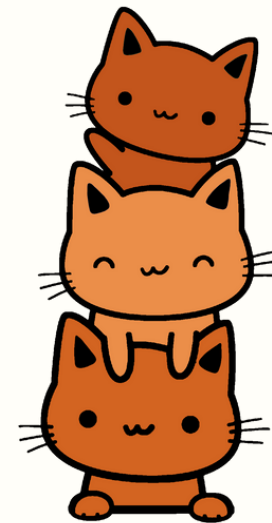

- Teams experiencing friction or misalignment.
- Newly formed or cross-functional teams.
- Leaders wanting improved team dynamics.

OUTCOMES:

- Visual Collaboration Map for continued use.
- Increased trust and improved communication.
- Clarity around strengths and collaboration blind spots.

DURATION: 3 HOURS

PARTICIPANTS: 4+

LEGO SERIOUS PLAY

Build Strategic Insights, Brick by Brick.

Unlock strategic thinking, creativity, and communication using LEGO bricks in a facilitated, hands-on workshop.

IDEAL FOR:

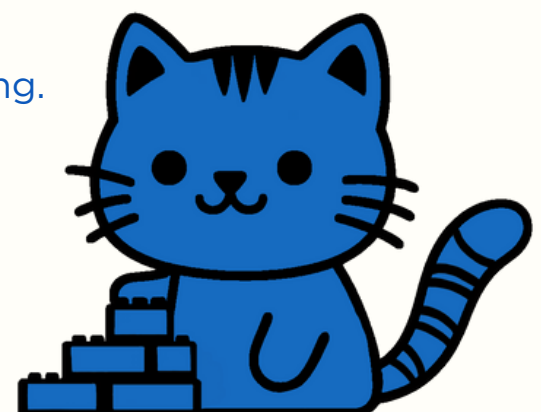

- Teams needing innovative solutions and deeper engagement.
- Organisations looking to enhance strategic planning and problem-solving.

OUTCOMES:

- Actionable insights with tangible results.
- Inclusive communication and collaborative breakthroughs.
- Clear strategic alignment and team empowerment.

Duration: Flexible, typically 2-4 hours

Participants: 4+

LEADER FORGE

A Playful System for Leadership Discovery

Define and strengthen your leadership identity through an interactive, game-inspired experience that blends reflection with imagination.

IDEAL FOR:

- Leadership cohorts and individual leaders.
- Teams seeking deeper clarity on leadership dynamics.
- Retreats or strategic sessions.

OUTCOMES:

- Personalised leadership profiles.
- Enhanced self-awareness and decision-making clarity.
- No role-play required, just meaningful reflection.

DURATION: Half-day

PARTICIPANTS: 1+

INNOVATION THROUGH PLAY

Iterate, Experiment, and Innovate Playfully.

Embed innovative thinking and rapid prototyping in your team's culture through playful, iterative experimentation.

IDEAL FOR:

- Teams looking to foster consistent innovation.
- Organisations aiming to break barriers to creativity.

OUTCOMES:

- Practical methods to explore and expand possibilities.
- A playful mindset integrated into daily professional practice.
- Strategies for sustained innovative growth.

DURATION: Flexible (half-day/full-day)

PARTICIPANTS: 4+
