

Clubs and Societies 2022-23

Full name of the Club/Society	The mission statement of the Club/Society
180 Degrees Consulting Club	We are the AUB branch of the global 180 Degrees Consulting organization that provides high-quality consulting services to social impact/nonprofit organizations so they can improve and expand their services. Throughout the years, we have formed teams and carefully selected consultants and experienced students in the consulting field among our members, that work tirelessly so that these organizations we're staffed on can achieve their full potential and help more people in need. On another side, we conduct consulting related workshops such as: CV and Cover letter writing, Case Solving workshops, Fit Interviews workshops as well as Buddy system programs to allow members to body up for practicing cases. Therefore, we offer AUB students with an opportunity to experience the real life consulting work and provide them with a chance to attend different events to prepare for their interviews.
Accessibility for a bolder learning experience	
American Institute of Chemical Engineers	To inspire a safe community of chemical engineers via academic and fun events.
American Society of Mechanical Engineers	ASME's mission is to serve diverse global communities by advancing, disseminating and applying engineering knowledge for improving the quality of life; and communicating the excitement of engineering.
Archery Club	The Archery Club's main goal is to introduce AUB students to archery, in which they will improve their upper-body strength, focus, patience, balance, and coordination. Aside from being a competitive sport, this activity can act as a stress reliever, allowing participants to build a calm attitude and ease mental and physical tension.
Artist Society Club	We strive to create and maintain a safe space for all artists on campus and a platform to showcase their talents and exchange inspiration in forms of regular exhibitions, performances, workshops and other special events. We promote all types of art and support art initiatives of all kinds. We aim to connect artists from the different art fields.
AUB 3D Club (3D: Discuss, Debate and Discourse)	The aim of the club is to provide AUB students with a hands-on experience in the sociopolitical life and further enhance their relationship with the society by empowering them with skills that allow them to powerfully engage in social reform inclusively
AUB Abroad Club	

AUB Afghan Club	We spread awareness, break stereotypes, and promote Afghan culture through organizing various events to give a comprehensive picture of Afghanistan, its culture, and its people to the AUB community. It is a cultural exchange club which through it we hold cultural events, celebrations, Persian & Pashto Learning program plus cultural day with international students and many more. Also, it is the first Afghan Club at AUB being represented by Afghan students adding more diversity to AUB community.
AUB Automotive Club	The Automotive Club aims to help students learn more in several automotive-related fields through holding lectures with experts in the field. The club also organizes entertaining & socializing events such as Formula One race streams which allow our members to bond. Finally, we also enjoy attending numerous motorsports events in Lebanon and participating in national and international competitions.
AUB Book Club	AUB Book Club aims to create a safe environment, where students are encouraged to discuss books, share ideas, partake in events related to books, and talk about reading and writing as art practices. In doing so, we encourage students to dedicate time and effort to read and improve their literary background. We offer social events through workshops, debates, movie screening, game night, book discussions, and writing circles.
AUB Chess Club	Teaching and sharing the beauty of the game of chess to people of all levels
AUB Consulting Club	The AUB Consulting Club's mission is to help students bridge the gap between university and a consulting career. We do this through workshops, networking events, case solving activities and much more!
AUB model united nations club	Represent AUB in the most competitive international conferences
AUB Robotics Club	Our mission is to promote STEM education within the AUB community and beyond, and encourage everyone, with or without any experience, to want to learn more about robotics and hands-on engineering regardless of their background, and to dare to challenge themselves in order to make the most out of their time at AUB.
AUB Social Club	Helping students in networking and forming new connections that are helpful to them in both present and future, help the students enjoy a pleasant experience at AUB.
BEYMUN	
Biology Student Society	Enhancing the university lives of biology students by providing multiple social and volunteering opportunities all year round.
Biomedical Engineering Student Society	The Biomedical Engineering Student Society aims to educate students and to integrate them into the field of biomedical engineering, through events, workshops, and seminars, as well as networking opportunities with professors and researchers.

Business Student Society	
Change starts here	To create a united community in aub that projects the society we aspire to live in.
Chemistry Students Society	Make chemistry fun, form a society where chemistry majors or students interested in chemistry can enjoy themselves and make new connections
Classical Music Club	
Computer Science Student Society	Our main goal is to create a friendly environment where all students and tech enthusiasts can enhance their academic skills and enjoy their journey.
Cultural Club of the South	Our main focus is to preserve the southern Lebanese heritage through fun activities and events.
Dead Poets Society club	Uniting literature and poetry lovers/offering a safe space
Economics Students Society	Training leaders of tomorrow, today.
English Student Society	
Faculty of Health Sciences Student Society	Providing the members with opportunities and experiences such as fundraisers, volunteering, awareness campaigns, and more.
Faculty of Medicine - Graduate Student Society	unite the graduate students enrolled at the faculty of medicine
Financial Intelligence Club	The Financial Intelligence Club is a new initiative aiming to educate the youth about resource management and sustainability. In general, Lebanon and the Middle East suffer from an incredible financial waste deficit, from money to brain power passing by all sorts of liabilities. However this region is thriving to become a hub for new startups and consequently it is time for our youth to learn how to manage their assets and optimize their income in ways that seemed nearly impossible to achieve before. Our aim is not only to help you escape the rat race but also to help any individual in completing any daily task in the most efficient and effective way. AUB has some of its strongest accreditations in the economics and business fields and such an initiative will only serve in improving our community and demonstrating the advancement of AUB and Lebanon as a whole.
Financial Roadshow Club	The FRC tackles the political, economical, and financial aspects of a country. The aim of the club is to promote critical and analytical thinking amongst its members.
Game Development And Esports Club	Dedicated to game enthusiasts, the club is a place of networking for passionate gamers, a place of education for aspiring game developers, and a host of tournaments for competitive players
Gender and Sexuality Club	The GSC aims to provide a platform for educational discourse and socialization, and to promote a culture of tolerance and inclusivity of the queer community and allies.
Hip Hop Club	Teaching students how to dance and allowing them to have a space where they can freely express themselves and destress
IAESTE	Internships

Insight Club	To cultivate a supportive community guided by the prophetic purpose of mercy for all people.
Institute of Electrical and Electronics Engineers	To unite all young professionals and teach them how to fall in love with Engineering by showing them the huge opportunities pre and post-graduation, in a fun, friendly, educational and motivational environment. We also strive to endow students with useful knowledge through workshops, conferences, competitions and talks.
Institute of Industrial and Systems Engineer	We're a global society that helps industrial engineers grow their network and learn more about available opportunities to build a successful career. " We serve those who solve the complex and critical problems of the world"
Investment Management Club	The Investment Management Club aims to provide financial education to AUB students with different financial literacy levels through educational workshops, debates tackling real time market events, hosting financial experts and professors, and interactive events. The club also aims to provide career opportunities (Internships, exchange programs, or full time jobs) for interested AUB students in private equity, investment banking, and financial consulting through collaborations with global financial firms.
Japanese Cultural Club	The Japanese Cultural Club (AUBJCC) aims to introduce Japanese culture to the AUB student body through weekly meetings and cultural activities, and seeks to foster a community of friends centered around a shared appreciation of Japanese culture, literature, music, history, food, games, and anime.
Landscape Architecture Student Society	enhance of landscape architects
Lebanese Aerospace & Automotive Society	The Lebanese Automotive & Aerospace Engineering Society lets students apply their problem solving skills and creative ideas on real-world projects.
Lebanese Armenian Heritage Club	The Lebanese Armenian Heritage Club is a student-led organization that was founded in the 1990s in AUB. The mission of this club is to engage the Lebanese Armenian community in preserving their cultural heritage. By gathering the club members through social activities and educational lectures, the club aims to promote the lively customs of the Lebanese Armenian community.
Lebanese Heritage Club	The Lebanese Heritage Club aims at shedding the light on every unique spot of our proud Lebanese heritage. We aspire to revive the Lebanese heritage throughout numerous activities and projects that reinforce the convergence of different students from various segments of our Lebanese society.
Mathematics Student Society	We aim to change the impression people have on Mathematics. We wish to explore various aspects of mathematics in a fun and interactive way. We also wish to bring together all those who are

	interested in mathematics, the application of mathematics in different fields, and the theoretical aspect of it.
Media Student Society	To empower all students to creativity, self-improvement, and to be out-spoken.
Medical Student Society	
Music Club	Promoting a vibrant and diverse community of music enthusiasts through engaging events and activities.
Nature Adventures Club	Discovering Lebanese landscapes of natural and cultural heritage by organizing trips ,quality safe hiking, and outdoor adventure excursions to instill enjoyable social outlets for our members
Nursing Student Society	To enable the active participation of nursing students in activities which foster their personal, professional and civic development
Nutrition Student Society	The Nutrition Student Society is an active society at AUB that organizes, plans and implements educational and social events and activities. Our mission is to encourage the AUB community to promote a healthy and sustainable lifestyle through fun and interactive events and activities which would benefit them physically, mentally and socially. Through these activities, we will be able to facilitate the three aspects of nutrition: clinical, community and food service.
Palestinian Cultural Club	PCC aims at raising awareness and knowledge about the Palestinian heritage, culture, cuisine and history.
Philosophy Student Society	To become Plato's Cave Survivors (n): people who devote themselves to thinking, knowing, and escaping the mental social cave we've all been put in. Escaping that cave starts with owning up to ignorance and having a constant thirst for truth and knowledge.
Physics Students Society	Create an inclusive environment for whoever is interested in the field of physics to engage, discuss and support
Political Science and Public Administration Society	Our aim is to bring together students who have interests and backgrounds in political studies and public administration. Our activities help students to form important connections, to enhance their professional skills, and to explore educational and career prospects. Additionally, the society aims to create a connection between students, their professors, and the administration.
Premedical Student Society	
Psychology Student Society	To provide psychology students with a supportive community and facilitate their undergraduate journey to the best of our abilities.
Real Estate Club	Enlighten and inform students on real estate and its beauty
Red Cross Youth Club	Spread awareness through practical, social and voluntary work

Rotaract Club of AUB	To provide an opportunity for students to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between people internationally through a framework of friendship and service.
Save our Sea Club	Saving the sea in Lebanon and leaving an environmental impact.
Secular Club	
Social Work Club	To create a more equitable society based on the values of equality, human dignity, diversity, and economic, environmental, and social justice, far from religious or political ties, in order to empower AUB students in giving back to their communities and the world.
Sociology and Anthropology Student Society	A safe space to discuss social and cultural issues
Sociology and Anthropology Student Society (SOAN Student Society)	"But is it a social construct?"
Students for Sustainable Energy for All	tudents for Sustainable Energy for All (SSEA) is an international student network that falls under Global Energy Initiative. The AUB SSEA Chapter works towards promoting renewable energy, protecting the environment, and mitigating the effects of climate change from our corner of the world, here in AUB. Our mission is aligned with the UN's Sustainable Development Goals (SDG), specifically the 4th goal of Quality Education, the 7th goal of Affordable and Clean Energy, and the 13th goal of Climate Action. We collaborate with different AUB offices as well as other local entities to raise awareness and contribute to a more sustainable Lebanon through projects, events and campaigns to engage our community..
Students for the Ethical Treatment of Animals	Raise awareness about animal welfare and rescue cats around AUB
TEDxAUB	To spread ideas that are worth sharing
The African Club	Mission: To integrate African Culture in American University of Beirut (AUB) and Lebanon, and to leverage the diversity of AUB student body to learn about other cultures.
Toastmasters- Speakers and leaders AUB	Where leaders are made, the goal of Toastmasters is to make better speakers and leaders.
TrEd Club	
UNICEF Club	The UNICEF Club promotes the rights and well-being of every child, in everything we do. We aim to provide philanthropic activities for AUB students targeting students from marginalized communities, as well as using our platform to raise awareness on various humanitarian issues.
University scholarship program club	To improve the students in different field and help them to have a complete journey at AUB through academic and non academic events

Visual Arts Club	To provide a space for students, mainly non-arts majors, to learn and appreciate various art techniques.
Women at Work Club	We aim to create career and networking opportunities for women at AUB.
Rotaract Club of AUB	To provide an opportunity for students to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between people internationally through a framework of friendship and service.
