ABOUT
SUMMER CAMPS

CAMPS ARE FOR KIDS AGES 6-12
ALL CAMPS INCLUDE LUNCH EACH DAY

ART CAMP

This camp is perfect for creative minds of all skill levels! Campers will immerse themselves in hands-on artistic training, explore new techniques, and bring their creative ideas to life. Guided in a supportive and inspiring environment, they'll build skills, gain confidence, and grow as artists while expressing their unique vision.

PICKLEBALL CAMP

This exciting camp teaches kids the fundamentals of pickleball, from basic techniques to game strategy. Campers will practice key shots, learn offensive and defensive tactics, and build skills through fun drills and games. Perfect for beginners and players looking to improve while gaining confidence and having fun on the court.

CULINARY CAMP

Campers will learn essential kitchen skills while exploring a variety of delicious recipes and discovering the joy of creating their own culinary masterpieces. Through hands-on cooking each day, kids will build confidence in the kitchen as they prepare tasty dishes from start to finish. Guided by experienced instructors, they'll grow their creativity, teamwork, and love for cooking in a fun and supportive environment.

EXPLORER CAMP (NEW)

Bayside Explorer Camp offers an engaging mix of movement, creativity, and discovery to keep campers active, inspired, and learning all summer. Each week features rotating themed days with fitness and team challenges, hands-on art projects, and interactive science and STEM activities.

NEW THIS YEAR

Bayside Explorer Camp offers an engaging mix of movement, creativity, and discovery to keep campers active, inspired, and learning all summer. Each week features rotating themed days with fitness and team challenges, hands-on art projects, and interactive science and STEM activities.

Campers build confidence through sports and agility activities, express creativity through guided art, and spark curiosity with fun experiments and problem-solving challenges. Our structured daily format encourages teamwork, critical thinking, and imagination in a supportive, high-energy environment.

Lunch is included each day. Please let us know about any dietary restrictions ahead of time.
